

Many aid defense program here

Chairmen of local units in the civilian defense organization, whose names were announced in last week's Herald, are busy learning the duties and selecting personnel.

Names of the hundreds of citizens who have volunteered are being classified for the different units on the basis of the information given and the choices indicated on the defense enrollment forms.

Several chairmen report considerable public desire to help in their particular fields of duty. Rev. Milo Vondracek, in charge of the Recreation Committee, has found many persons willing to assist in making plans for the entertainment of any groups which might be temporarily thrown together in case of emergency. Foremost among them are the members of the Women's club.

Mrs. Laura Fritz, chairman of the Emergency Food and Housing committee, has had numerous phone calls from persons who are prepared to throw open their homes to fellow Americans who may be evacuated from other homes or other communities. This unsolicited action is especially welcome to Mrs. Fritz because the local committee has already had a request for immediate action by Mayor Edward Kelly of Chicago, regional director of civilian defense in the metropolitan area.

Mayor Kelly urges all persons who can do so to volunteer to take care of evacuees at once. The middle west is the area to which refugees from bombed coastal cities would logically be sent if the enemies of our country should begin long-range bombing of our cities.

Mr. Willard Vanderbeek, acting principal of the Arlington Heights public schools, is among the leaders of those co-operating with the Civilian Defense Council. The first air raid drill in the public schools was held Monday.

Reports from the Rifle Squad indicate that its membership is filling up steadily, but that more applicants will be accepted. There have been some men who volunteered directly for this service and many others who were classified for it on the basis of their enrollment papers.

The high school board informed representatives of the Defense Council Tuesday night that every effort would be made by the high school to assist in activities of civilian defense. This is the attitude of all public officials who have been approached and demonstrates the practical side of America's national unity.

Morgan's Drug Store, located on the Northwest Highway, is the first local business firm to offer its facilities as a first-aid station in case the need arises. Mr. Morgan made the offer at the first meeting of the committee.

Mr. A. M. Conger of the Arlington Heights Township high school was able to supply a typewriter for the use of the Council for a short time. The Council needs other typewriters, desks, typing tables, and file cases. Anyone having such equipment which can possibly be spared should get in touch with defense headquarters at once. The need is urgent.

Available equipment is already in use. The first woman to do volunteer work in the staff office was Mrs. Paul Stroud. Others have served also.

Much of the work to be done by several units of civilian defense requires strength and endurance. It will probably be necessary to give courses in physical training to many of the workers. If the need for their services arises, there will be no time then to get into condition.

First aid courses will soon be offered under the direction of the Red Cross. Knowledge of first aid is required on the part of many of the workers in civilian defense. These courses will be of lasting value after the war period has passed. Details will be announced as soon as available.

Chest X-rays given positive reactors to tuberculin skin tests

Thirty-eight chest X-rays were taken at the Arlington high school last week following up the Tuberculin skin testing.

Of the thirty-eight who were X-rayed, 26 were high school pupils who were positive reactors this year and the two previous years, two were teachers and the rest adults from the community.

An X-ray technician and a portable X-ray machine were sent out from the Tuberculosis Institute. The readings and reports of these chest X-rays will be made by Dr. Kruglick, assistant medical director of the Institute staff.

Mr. and Mrs. A. Busse leave to visit son in San Antonio camp

Mr. and Mrs. Albert Busse, Mt. Prospect, are on their way by auto to San Antonio to visit their son, Lt. Wilbert Busse and his wife. Wilbert was called to active duty eight months ago. After being stationed two months in Baltimore, he was transferred to San Antonio where he is in the motor transport division of the quartermaster's department. Lt. and Mrs. Busse are nicely situated in a flat in San Antonio. The lieutenant is stationed at Camp Normoye.

An Editorial

The need for Civilian Defense

by RAYMOND E. HAYES

No one can speak with authority on the possibility of a major war disaster in Arlington Heights. A few scoffers say that it can't happen here and a few other persons expect bombers momentarily. But some said the nation had nothing to fear from any country and now our national slogan is "Remember Pearl Harbor."

In time of war we must prepare for anything within the realm of possibilities. It is not enough to prepare for what we think will probably happen. Surprise is one of the chief elements of modern warfare. We must be ready for anything which can happen. To do less is to invite disaster.

A good civilian defense program is like an insurance policy. We secure it and pay for it in the hope that we shall never have to use it. We may never have had a fire or a wreck or a robbery but we know that other people have had them. The only way to be ready is to take out the policy. After the disaster has befallen us, it is too late to wish that we had prepared.

All able-bodied persons should fill out the defense forms which are available at the village hall. The resources of an entire community should be available for the defense of the community. Moreover, the people of Arlington Heights should be ready to do their part in the state and national plan of defense.

Arlington Heights may not be the target of bombs. But other towns and cities near the coasts may be attacked. The people of those places will need our help. Our part in defense may be unspectacular. It may be in the conservation of rubber or paper or metals. Only through effective organization can these matters be handled effectively. Uninterrupted production of vital materials is as important as air raid drills and blackouts. Guarding against sabotage is as important as preparing for bombing raids.

Inhabitants of the farms should join the civilian defense effort along with urban residents. By doing so they will make certain that defense efforts do not inadvertently interfere with the production of the nation's food supply. Farmers should have a voice in rationing of consumers' goods of which there may be a shortage.

Any restrictions which resulted in curtailing production on the farms or in preventing transportation of farm products to the cities would be harmful to all. Unless farmers are in the civilian defense organization and help to form its policies, mistakes may be made which will be costly to all of us. Farmers should join at once.

In short civilian defense is the business of all. It is the business of all able-bodied persons whether rural or urban, old or young. Our country needs the help of every one of us. We shall have done less than our simple duty if we fail to take part.

Dead line Jan. 31st for vehicle tags, and business licenses

Mayor Goedke and members of the village board, at a special meeting Monday night, fixed Jan. 31 as the deadline for the purchase of 1942 vehicle tags, business licenses and dog tags. The police department has been given instructions to issue summons after that date for negligent car owners.

The village needs the money and the board sees no reason why all people should not be treated alike. They ask the cooperation of owners of cars, business firms and those who have dogs.

A mix-up in names, parents and babies

The editor has heard of babies getting mixed up in hospitals, but this is the first time that little tots have gotten mixed up on the editor's desk. With the first appearance of our "Little Tots" pictures two weeks ago, the wrong story was given to the wrong child. In fact it was worse than that. The story gave the wrong child to the wrong parents. We are delaying until next week the publication of the pictures in order to give the editor an opportunity to check the pictures with the parents. A mix-up in names is not as bad as a mix-up in babies, but it is just as disturbing to parents and the editor.

Publication employees pass Defense Stamp quota

Interest of the employees of Paddock Publications in the sale of defense bonds has increased to such an extent that the self-imposed quota of one \$25 bond a week has been passed and a new quota of two defense bonds a week becomes a probability.

Order immediate operation of northside well

Arlington Heights village board is determined to get its water pumping equipment into full operation at the earliest possible moment. While the race track has been very kind to the village, it is inconvenient at times to receive an SOS call around midnight asking for water.

Arlington has been very fortunate to secure a reserve supply of water almost daily from the race track, but there is an end to all good things and the village must be prepared for that eventuality. Earlier plans to attempt to drill the north side well were ordered abandoned at a special meeting held Monday evening and the contractor ordered to get it in operation at the very earliest possible moment. The pump has been sent to the factory for repairs.

Estimates of the village engineer for equipment need at the new well are in the neighborhood of \$4,000 unless it becomes necessary to install an aerator and reservoir to get rid of certain gases.

Bids will be asked for pumps of both 400 and 500 gallons per minute in the belief that while the getting is good as much should be gotten as the well will produce. Optimists claim the supply is near the 700 gallon mark.

Complaints of illegal parking have been so numerous that the police department has organized a special detail of one man to walk a beat about the business and close-in residential section. Double parking and parking in front of alleys will be the special targets.

Infantile Paralysis drive most successful this year

The splendid reception already evidenced by the residents, business leaders and organizations of Arlington Heights accounts for the enthusiasm felt by the workers conducting the Infantile Paralysis Foundation fund-raising campaign. Various groups of workers are active this week contacting the remaining business houses, schools and residents in an effort to speedily complete the local drive.

Early reports indicate that the campaign has already reached last year's total, but it was pointed out by Mrs. J. M. Farrell, chairman of the local committee, that the quota set for this year is considerably higher than that of last year.

"The National Foundation of Infantile Paralysis," explained Mrs. Farrell, provides directly for the relief of Infantile Paralysis sufferers everywhere, and furnishes free hospitalization, operations, treatments and appliances to those unable to pay. In nearly every serious case," Mrs. Farrell said, "the cost of thorough healing treatment is exceedingly expensive, and very few victims are financially able to undergo a complete course without aid from the Foundation."

Mrs. Farrell pointed out that residents of Arlington Heights should make their contributions locally as this campaign is conducted as a part of the Cook County Chapter drive. In order to reach the Arlington Heights quota, persons who are employed in downtown Chicago are urged to make their subscriptions locally.

Wheeling relief load down to new low

There are only 37 families on the January relief roll, in Wheeling township, which is good news for Supervisor Klehm and the relief office. The usual January cases are nearly a hundred. "I do not believe that there is a single employable on the list," stated Mr. Klehm Thursday. "I do not know where they are all working, but they must be employed somewhere or they would be regular callers at my office."

The cut in relief cases does not save the township any relief money however, as the state only makes up the deficiency that exists after the township has used up its own funds.

Tavern janitor killed by auto

Jacob Novotny, 52, who was employed as a janitor at the Krueger Tri-corner inn, Rand and Dundee roads, was instantly killed Saturday night while walking on Rand road, near the Sunset Turkey farm. Mr. Matson, Chicago, driver of the auto, immediately notified the police. The body was taken to Karsten funeral home, Arlington Heights, where the inquest was held.

Coroner's jury gave a verdict of accidental death.

Communication with the family of the deceased was obtained thru an advertisement in a Bohemian newspaper.

NOTICE TO VOTERS

Voters who are not properly registered, may do so at the village hall Thursday and Friday evenings between 6:30 and 8:30 p. m.

If you are permanently registered, and have not moved since you registered, it is not necessary.

Mr. Davis, village clerk, will also be at the village hall Saturday afternoon of this week. Deadline for registering is January 20.

Cardinals host to Niles Trojans Friday night

Arlington's Cardinals play host this Friday to the hottest team in the Northeast Conference as the Niles Trojans roll into town. The league-leading Trojans are undefeated in or out of the conference and are gaining momentum.

Winners of their last two conference games by lopsided scores—they beat Lake Forest, 54-28, and Crystal Lake, 78-53—and victorious over New Trier of the strong Suburban League by a score of 66-40, the Trojans are formidable opponents just now. They will be top-heavy favorites to add their sixth victory of the current twelve-game conference race.

The Cardinals lost to Woodstock, 37-36, last week, as a last quarter rally fell short and were dropped to third place in the standings. This is their only meeting with Niles, a team with whom Arlington has one of its keenest rivalries. A victory for the Cardinals would keep them in the race for the conference championship, in which they have been a factor to date.

Await final orders covering Feb. 16 draft registration

Cook County draft board No. 1 is awaiting receipt of final orders regarding the registration February 16 through their district for all men between the ages of 20 and 44. Places of registration and officers who will conduct it in the various communities will be given to the press as soon as they are received.

During the last five years he was active as field secretary for the Detroit Deaf Mute Institute. He had a leading part in gathering funds for the erection of the splendid new building of that school. Mrs. Kempf is the former Thelma Saries of St. Louis. They have two sons, Bruce, age 15 and Donald, age 17.

The annual ex-service men's dinner, sponsored by Merle Guild Post of the American Legion, will be held on Tuesday evening, January 27, at 6:30 p. m., at the new Legion club rooms, Douglas and Miner streets, Arlington Heights.

The purpose of this get together is to afford an opportunity to all World War veterans of the community to become acquainted with the program and plans of the Legion post for the year 1942. The guest speaker for the evening will be William F. Waugh, past department commander. Mr. Waugh has recently been appointed director of air raid warning service, for the State of Illinois, by Governor Dwight Green. He will have an interesting message. May or Albert Goedke and members of the village council, and Chairman Homer J. Byrd and the members of the Civilian Defense Council will be guests.

All ex-service men of this community and also of Prospect Heights are cordially invited to attend the dinner.

Merle Guild Post to give dinner to ex-service men

The purpose of this get together is to afford an opportunity to all World War veterans of the community to become acquainted with the program and plans of the Legion post for the year 1942. The guest speaker for the evening will be William F. Waugh, past department commander. Mr. Waugh has recently been appointed director of air raid warning service, for the State of Illinois, by Governor Dwight Green. He will have an interesting message. May or Albert Goedke and members of the village council, and Chairman Homer J. Byrd and the members of the Civilian Defense Council will be guests.

Two of these dogs won first prize in obedience trials held last month in Chicago by the American Kennel Club. Baron Karlo Von Westholtz won the first prize in open Class B, and The Squire of Bankfield, won first in the novice Class A.

Mr. Finsterwalder is the trainer of the club. He does not train the dogs, but rather, teaches the owners how to do it. The club meets twice a week at its training grounds at Mannheim rd. and Grand ave., where permanent training equipment is maintained.

The dogs are trained primarily in obedience and good manners. The German Shepherd breed has been developed to a point where the dogs are noted for their capacity to be trained in obedience, and is the breed used for leading blind people.

After these results have been achieved, the more difficult training is then begun, in which police work is taught—tracking, trailing, guarding, and other phases of training as advocated by the American Kennel Club.

In recognition of accomplishing various feats of training, these dogs receive degrees which may be described as follows: The first degree for which a dog is eligible is that of C. D., namely, companion dog. Upon passing the tests required for this degree a specified number of times in regularly licensed shows, the dog is eligible to earn the next degree, C.D.X., companion dog excellent, which must also be awarded at regularly licensed shows. The final degree and highest honor is that of U.D., utility dog, which degree has been bestowed upon very few dogs of any breed in the United States.

From this description, and the titles following the names of the dogs to be present, it is easily understood that the favored ones in attendance Friday will witness an assemblage of a large portion of the finest dog talent available in this area.

Invitations have been given to Boy Scout troops 5 and 7 as well as the new troop being organized at the St. Peter's church, the Camp Fire Girls and the Blue Birds, all of Arlington Heights.

Parents of these and all parents of Cubs, are especially invited to attend.

Old Folks Home to install new leader Sunday

The eighty residents of the Lutheran Old Folks Home have a new superintendent, Rev. John M. Kempf of Detroit, Michigan. He is succeeding Mrs. Julius Stahmer, who resigned her position after 13 1/2 years of faithful service.

The new head of the home will receive his official assignment in an impressive religious ceremony held in St. Peter Lutheran church of Arlington Heights Sunday at 3:30 p.m. Pastors and laymen of 200 churches of northern Illinois have been invited. The Rev. Ernst Lams, president of this district, will read the rite of installation assisted by the local pastor, the Rev. Harry C. Fricke. A noted pulpit orator, the Rev. O. A. Geisemann, S. T. D. will preach the sermon. Prof. A. Bathje of St. Peter's will preside at the organ and direct the choir.

After the church ceremony Pastor and Mrs. Kempf and their two sons, Bruce and Donald, will be the guests of honor at a luncheon and reception. This will take place in the dining room of St. Peter's church at 5 p. m. For lack of room invitations to the social activities had to be restricted to pastors and delegates of member churches.

Guests from out of town are invited to visit the Home at the conclusion of the services.

Draft boards start work on culling existing deferments

The January call quota assigned to Cook county draft board No. 1 was answered at an early hour one morning this week when the inductees reported at draft headquarters at 4:30 a. m. Merle Guild Post had a pot of hot coffee and doughnuts to speed the boys on their way. As the war department permits only the publication of the names of the local boys who are called, the full list of names reporting for service in district one is not published here. Those who answered their country's call from Wheeling and Elk Grove townships are:

Walter Irving Kersten, 722 Ridge ave., Arlington Heights, Ill.
Tom Kilcullen, R. 1, Arlington Heights, Elk Grove, Ill.
Bert Louis Thornton, 210 S. Wille st., Mt. Prospect, Ill.
Eldon Beecher Belzer, Wheeling, Ill.
John William VonBergen, 7635 Foster ave., Norwood Park, Ill.
Clarence John Gerken, 109 S. Maple st., Mt. Prospect, Ill.
William Edward Golden, 203 Louis st., Mt. Prospect, Ill.
Vernon Louis Sonntag, R. 1, Box 230, Arlington Heights, Ill.
Stephen John Urlick, 803 N. Highland Ave., Arlington Heights, Ill.
Dale Myles Phillips, 8 W. Campbell st., Arlington Heights, Ill.
Edward Wilbur Kost, 6118 Santa Fe ave., Huntingdon Park, Calif.
James Clarence Neagles, Jr., 6721 Olympia st., Chicago, Ill.
John Adams Cunningham, 310 Wa Pella ave., Mt. Prospect, Ill.
Leonard Henry Kranz, 402 W. Euclid st., Arlington Heights, Ill.
Harold Otto Schmidt, 4703 Race st., Chicago, Ill.
Clarence Arthur Dorband, 132 S. St. James st., Waukegan, Ill.

Cook county selective service board No. 1 is working until early morning hours several times a week. All men in the original and the supplementary draft registration have been classified. The final physical examinations of these men are being made.

In the meantime the board is scrutinizing all previously deferred and medical cases.

Those over the age of 28, who were ordered deferred in a recent blanket order from the war department, are now being reclassified by the local board. Men who were previously sent home because of their age are subject to direct orders from the war department and their cases will not be handled by the local draft bodies.

The tire rationing supervisor, Mr. Gilbert Klehm, the township supervisor, has a responsibility of dividing the quota of the township, into its respective parts for the tire boards, if there be more than one board functioning in a township. On the basis of population, the village of Wheeling combined with the northeast one-quarter of the township would give that territory on the basis of the January allotment less than one tire or one tube. The Arlington Heights board, however, will try to issue the certificates in proportion to the need after the eligibility has been determined, whether the individual lives in Arlington Heights, Wheeling, or the agricultural section.

It is quite evident that the eligibility rules, that most of the car tires and tubes will be allotted to those applicants in the towns, since the farmer is in few, if any cases, eligible. But it would also appear that the greater number of truck and agricultural implement tires will be allotted to the farmer.

Patrons will find a more attractive arrangement of displays, all systematically arranged so everything can be located without difficulty, and wider aisles will make shopping at Jewel more convenient.

Housewives of Arlington Heights will find a complete selection of top quality meats, groceries and fresh fruits and vegetables—all at bargain prices and sold with the famous money-back guarantee.

The cleanliness and neat appearance of Jewel Food Stores have long attracted the shoppers in this area, as well as the famous Jewel quality, variety and friendly service, and at the very low prices that have brought Jewel so many thousands of satisfied customers.

Housewives of Arlington Heights will find a complete selection of top quality meats, groceries and fresh fruits and vegetables—all at bargain prices and sold with the famous money-back guarantee.

The above statements which appeared in the metropolitan press gives an idea of the new tasks that face the local draft boards and which those of army age and their families must face sooner or later.

Complications which developed from a bullet wound in the abdomen which he suffered December 29 in a hunting accident near his home caused the death of Herbert Kreft, 14 years old, son of Mr. and Mrs. Herman Kreft, rural route 1, Palatine. He died Saturday morning in Sherman hospital, Elgin.

Herbert was wounded when a .22 caliber rifle in the hands of a neighbor boy, Robert Henker, 12 years old, was accidentally discharged. Robert is a son of Mr. and Mrs. Theodore Henker whose home is near that of the Krefts.

The two boys were hunting rabbits in a field about a quarter of a mile from the Kreft home. When Robert's gun was discharged the bullet entered Herbert's abdomen, puncturing the intestines in two places and lodging near the hip.

When Herbert fell to the ground, his companion ran to the Kreft home and notified Mr. Kreft who was working nearby. He drove his farm wagon to the scene and took the injured boy to the residence where a doctor was called to attend him.

Following first aid treatment, Herbert was brought to Sherman hospital and was operated on shortly afterwards. The bullet was removed and the boy's condition improved for several days but complications then developed. Two blood transfusions were given Herbert in an attempt to save his life but the effort was futile. Obituary appears on another page.

The Palatine fire department staged one of its greatest fire fights last week when they were called to the Dominick home on West Palatine road.

The fire had a flying start in the walls of the house and to many persons who arrived at the same time as the firemen, it looked as if the house was doomed, but the quick efficient work of the firemen, in 20 below zero weather, saved the home.

It was so cold that when water struck the trousers of the fire fighters it froze them stiff and the boys were moving about as if their legs were incased in armour.

The work of the firemen was greatly appreciated by the owners of the premises, which was formerly known as the Wm. Senne home, and the present owners at once sent a token of their appreciation to the fire department.

Corner North Dunton at Eastman
Herman G. McCoy, Pastor
Sunday church school for all ages will begin at 9:45 a. m. with Martin Peilman as superintendent. Sunday morning worship will begin at 11 o'clock when the pastor will preach and there will be special music by the choir.
The New Testament study class will meet Monday night at 7:45 o'clock.
On Tuesday the Ladies' Aid will meet for an all-day sewing for the Red Cross, and on January 28, will serve a

progressive luncheon from 11:30 to 1:30 o'clock.
A special service will be conducted by the Senior-Young People's Society on Sunday evening, January 25, to which all people are invited.
The Men's Club will meet for a dinner and program on January 27. "Paddy" Driscoll, back field coach for the Chicago Bears will be the guest speaker, and a technician movie will be shown.

The First Presbyterian Church cordially extends to the public an invitation to attend its services.

THE FIRST METHODIST CHURCH

Dunton Avenue at St. James Street
Milo J. Vondracek, Minister
January 18, 1942:
10 a. m. Sunday Church School. Mr. M. W. Prellberg, Supt.; Mr. A. Ashcraft, Secy.
11 a. m. Morning Worship or "The Church at Prayer." The minister will preach on the subject, "Every Man a King." Times like these demand a quiet hour with God. We earnestly bespeak your presence.
3 p. m. Bishop's Rally of all Chicago-Metropolitan at the Chicago Temple, 77 W. Washington Street. Please attend if possible.
7 p. m. Methodist Youth Fellowship meeting. An interesting program is promised.

Morning Prayer
7 a. m. daily, through Friday. This is an opportunity for prayer at the morning hour. Parents of boys in the service, friends in distress, and others come and join us in this service. If you cannot come, join us in prayer in your homes. Commuters drop in on your way to the train.

Monday, 8 p. m. The Missionary Circle will meet Monday evening, January 19th, at 8 o'clock at the home of Mrs. R. J. Knox and Mrs. Herman Meyer. All members are urged to attend as this is to be an important meeting.

Thursday, 8 p. m. Choir practice. Mr. L. Ewert, director. A happy song rolls many a heavy cloud away. Saturday, 9 to 1. Thrift Shop. Bargains are available. The public is invited.

Advance Notice
Plans are being made for a Rededication service and "Open House" at the parsonage, January 25th in the afternoon and evening. Please reserve this date.

ST. JAMES CATHOLIC CHURCH

North State Road
Rev. Geo. Stier, Pastor

The salvation of our country, the hope of the world

America's greatness is more than her technological or mechanical skill. Behind the country's advances lie high, lofty, and noble ideals. We quote from a Missionary Journal of July, 1849: "Of course, the hope of our own people and their children is in the salvation of our country from the dominant influence of error and sin. They cannot look abroad. Unless the institutions and the influence of pure religion be everywhere prevalent throughout our borders, what is to become of our teeming myriads? How can they be prepared for Heaven? How are they to be fitted for civil liberty? How trained in self government? How taught those elements of morals which are essential to social order and happiness? How made a philanthropic people, living for the good of the race, and sending abroad through all lands streams of benevolence, and founding institutions to hand down blessings to future ages? These results, so essential to national and individual happiness, are to be accomplished only by appropriate efforts, made in season, before the amount of work and of opposing influences shall be too great and too powerful for the means. The salvation of our country now, is indispensable to the salvation of our countrymen hereafter. The best way to save the fifty millions of the next generation, is to secure the conversion of twenty millions of this, who are to be their parents, teachers and rulers."

It was true a century ago and is still true today. America's first line of defense is a vital religious experience. Attend your Church. If you have no church affiliation, we invite you to the Methodist church.

The Rev. Milo J. Vondracek.

One of the many journals found during the renovation of the Methodist parsonage. (An article on these journals will be forthcoming).

Prospect Heights Sunday School
E. B. Foxworthy, Supt.
Sunday school every Sunday morning 10 to 11:30 in school house on corner of Schoenbeck and Palestine roads.

CHRISTIAN SCIENCE CHURCHES
"Sacrament" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, January 11th.

The Golden Text was, "Let us keep the feast, with old leaven, neither with the leaven of malice and wickedness; but with the unleavened bread of sincerity and truth" (1 Cor. 5:8).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "Sacrifice and offering thou didst not desire; mine ears hast thou opened; burnt offering and sin offering hast thou not required. I delight to do thy will. O my God: yea, thy law is within my heart" (Psalms 40: 6, 8).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Consistent prayer is the desire to do right. The world must grow to the spiritual understanding of prayer. If good enough to profit by Jesus' cup of earthly sorrows, God will sustain us under these sorrows. Until we are thus divinely qualified and are willing to drink his cup, millions of vain repetitions will never pour into prayer the unction of Spirit in demonstration of power and 'with signs following.'"

Butter Substitute
One of the 25 ingredients used to make oleomargarine, (butter substitute) is coconut oil. Fifty pounds of this oil is being used every minute in the United States.

Labor gains not to be scrapped in present crisis
Even though labor is becoming increasingly scarce in many occupations, there will be no blanket suspension of either the Illinois Women's Eight Hour Law or the One-Day-Rest-in-Seven Law, State Director of Labor Francis B. Murphy said today.

"Governor Green is anxious that Illinois use its productive capacities to the utmost in bringing victory to our nation," said Director Murphy, "but he does not want to sacrifice needlessly the social gains made by labor and far-sighted business leaders."

Director Murphy said that the State 8-hour-a-day law and the six-day week law may be modified in individual cases where such modification is essential to war production. Each exemption will be made in such a manner, he asserted, as to fully protect the rights of workers.

"We are going to make sure," Director Murphy stated, "that chiselers do not take advantage of the war situation to nullify the rights of Illinois workers."

To get exemption from either the Women's Eight Hour Law or the One-Day-Rest-in-Seven Law, an employer must meet the following conditions:

1. The employer must be exclusively or almost exclusively engaged in defense production. Acceptable proof of this will be a certificate from the Army, the Navy, or the OPM stating that a substantial majority of the equipment and workers of the firm are engaged in war production.

2. The employer must prove affirmatively that there is a shortage of workers in the occupation or class for which he is requesting an exemption. In this connection he must show that a shortage is not being created artificially by discrimination against older workers, or other workers because of color, race or creed.

3. The employer must request specific exemptions on the letterhead of the company. The request must be signed by the president of the company or the executive vice president. In the case of a sole proprietorship it must be signed by the owner. These requests should be sent to Director of Labor Francis B. Murphy, 205 West Wacker Drive, Chicago.

4. The employer must agree to pay time and a half and/or double time for all overtime in excess of the legal number of hours.

5. The employer must file periodic reports with the Director of Labor showing the hours worked and the percentage of his total plant or departmental production for war purposes. The employer also must agree to periodical inspections by the Department of Labor to check his reports on whether or not he is still engaged principally in war production.

In discussing the need for possible relaxation of the Women's Eight Hour Day and the six-day week in war industries, Director Murphy pointed out that almost 700,000 new workers will be needed

Income tax service initiated

A local income tax service has been started by Mr. E. F. Laurin, of Arlington Heights, who will be assisted by Mr. Robert Schultheis. This service is primarily to prepare returns from data furnished by the individual and the fees will be reasonable—ranging from 25c for Form 1040A to 50c and \$1.00 for most returns on Form 1040. Returns covering special problems requiring more time will be proportionately higher. The fee includes notarial certification.

Mr. Schultheis, who is a school teacher having made a study of accounting and income tax, will prepare the returns and Mr. Laurin will check them. A private room in the Fleutje-Behrens real estate office has been engaged.

Office hours have been tentatively set for Thursdays from 4:00 to 8:00 p. m. and Saturdays from 1:00 to 8 p. m. Appointments for other hours may be made by calling 388 or 1771-M.—Adv.

Aged Long Grove man found frozen on neighbor's doorstep

Henry Schmeiser, 76 years old, who lived alone for years in a small cottage near Long Grove, four miles west of Lake Zurich, was in a critical condition in a Waukegan hospital as result of frozen hands and legs suffered last Friday.

Schmeiser was found near the door of a neighbor, Ralph Dickinson, about 300 yards from his own home. He was unconscious but when revived, he said he had been injured in a fall in his own home and had crawled to the Dickinson home for aid. He became unconscious in the 8 below zero weather and probably would have frozen to death had it not been for the building of Dickinson's dog.

Gems of thought
Expectancy
All earthly delights are sweeter in expectation than in enjoyment; but all spiritual pleasures more in fruition than in expectation.
—Feltam.

We part more easily with what we possess than with our expectations of what we hope for; expectation always goes beyond enjoyment.
—Home.

When the destination is desirable expectation speeds our progress.
—Mary Baker Eddy.

With regard to one's work the desirable feeling is always to expect to succeed and never to think you have succeeded.
—Thomas Arnold.

The little done vanishes from the sight of him who looks forward to what is still to do.
—Goethe.

By every part of our nature we clasp things above us, one after another, not for the sake of retaining where we take hold, but that we may go higher.
—H. W. Beecher.

Millions of Timetables
To inform the public about passenger train schedules, American railroads turn out about 80,000,000 timetables a year.

ed for military production in this state during the coming 12 months. Murphy said employment statisticians are agreed that a sufficient number of trained workers will not be available for all these new jobs, and that therefore overtime will be necessary in many occupations.

REGAIN THAT VITALITY
by C. W. LUSSMAN
of Sieburg Pharmacy

Engrossed in countless duties the years add up and most people find themselves lacking the fire of youth, the zest of effortless living. Something is lacking, and seldom is it the love of living actively.

Oftentimes what is lacking is a certain vitality which can be regained by a discriminating use of vitamins, those necessary properties which are your rightful heritage.

Obtain the advice of a doctor as to what vitamins you should purchase, in what form, how and when they should be taken. Then prepare for a resurgence of real living.

Explain to your doctor why you are seeking his advice regarding vitamins.

This is the 170th of a series of Editorial Advertisements appearing in this paper each week.

Mrs. Burges Douglas was hostess to eight friends at a one o'clock luncheon and bridge party Tuesday afternoon. Mrs. Carl Ewert, Mrs. Frank Sesterhenn, received high honors.

THANKS FRIENDS
I wish to thank my many friends who helped me win 2nd prize in the contest at Sieburg's Drug store. Roger Simon.

Anthony T. Kates, former business man here, dies

Anthony T. Kates, former resident of Arlington Heights, where he was prominent in business, passed away at his home in Kenilworth on Monday, December 29 at the age of eighty years.

At Mr. Kates lived for many years in the village where in partnership with Mr. Richard Bray he owned and operated a hardware store from 1883 to 1900. During this time the two men started the manufacture of milk cans in the back of their hardware store from which developed the Bray and Kates Manufacturing Co., which they organized and operated from 1900 to 1921. They then sold the business to the Creamery Package Co., which today is one of the village's leading industries.

Mr. Kates and his family lived at 514 N. Dunton when in business in the village and left Arlington Heights in 1924, spent one year in Colorado and then settled in Kenilworth, Ill. where Mr. Kates took an active part in his oil interests in Texas until his death.

He is survived by his wife, the former Mary Shira, whose parents lived in the village for many years, one son, W. A. Kates of Corning, New York and two daughters, Mrs. Lee Hollowell of Edmunds, Washington and Miss Margaret Kates of Kenilworth.

Mt. Prospect Lions club buys \$1110 of defense bonds

The Mount Prospect Lions club last month purchased \$1,110.00 worth of defense bonds. The club is using the proceeds from the Fall Festival held last September. It was the original intention of the club to use this money for some local improvements, but due to present conditions felt that Uncle Sam needs our help more, than any improvements that might be made. A resolution was passed at the last meeting offering the full cooperation of the club to president Roosevelt and Governor Green. Telegrams conveying this message were sent both gentlemen.

Garlich Farm show to be hot number, January 22

John F. Garlich, McCormick-Deering dealer in this area, will sponsor a major attraction at the Arlington Heights high school, Thursday evening, January 22, 7:30 p. m., with a power farming show that no up-and-coming farmer will want to miss. To make it a banner attraction for the whole family and city folks alike, Mr. Garlich has gone to the Chicago Artists' Bureau and secured some of the finest musical and acrobatic talent available.

Al Trace and his "Silly-Simp-Fun-ists," an internationally known seven piece orchestra, Jackie Howard and Frankie Raymon with their "Seven Feet of Fun" are expected to keep the crowd in good spirits. Mazie White, the sensational acrobatic dancer, will be present to exhibit an extraordinary array of acrobatic tricks.

"Farming will be fun," says Mr. Garlich, "for everyone who attends this show." Admission is free.

Episcopal women to serve lunch Tues., January 27
On January 27 the Episcopal women will have a luncheon at the church. Twelve o'clock luncheon for business people; 1:30 luncheon for members of the Auxiliary and their lady friends. Keep the date in mind.

Whale of Atonal
Not only is the whale the largest living animal but the largest ever known to exist.

Decorating Graves
The custom of decorating graves is an ancient one. It was practiced by the Egyptians and Athenians.

Priority rating assures town development

When Smith & Dawson secured from the government a priority rating for building construction in Prospect Heights, a continuation of the previous building program in that community was assured for the opening months of 1942. Uncle Sam placed his O. K. on priority rating for 38 homes. Four of those homes have already been sold to men engaged 100 per cent in defense work.

Applications for fifteen more FHA loans are now pending. These homes are all in the \$6,000 class. With the present scarcity in home building and the many home advantages that Prospect Heights offers, Smith & Dawson are looking forward to a big demand for homes from men engaged in defense work.

Naturally priorities for future building will depend in part on the number of people engaged in defense work who seek homes in that community and the developers are making a special effort to acquaint such workers with Prospect Heights.

Where many other builders are closing up shop, Smith & Dawson are enlarging their plans. During 1941 they opened for subdivision 105 acres, and purchased 160 acres of farm land from J. Fred Meyer and his brother, John A. Meyer. These tracts are situated on both sides of Schoenbeck road, near Palatine road, and are adjacent to Prospect Heights school house.

The county highway department has recognized the importance of Prospect Heights by taking over the maintenance of four roads, McDonald, Schoenbeck, Wheeling and Willow. They have already started on black topping of these roads. With a release from the responsibility of caring for the above highways, the township road commissioner will be able to give greater attention to the remaining roads in Prospect Heights.

Seventy-three new homes and 300 additional residents is the record for 1941 set up in Prospect Heights. The building has not been confined to homes. Business construction has kept pace with home building. Five new stores were built and a new garage with

Island battlefront familiar area for Barrington family

The Harold Kneedler family, newcomers to Barrington, are watching the conflict in the Philippine Islands, between forces of the United States and Japan, with more than passing interest.

The Kneedlers formerly made their home in Manila, capital of the islands and Mr. Kneedler's parents and a brother are still in the city. They live about a half-mile from the walled section of Manila, which was bombed heavily in a recent Japanese attack.

The Barrington newcomers left the islands in June for vacation in the states, when they were unable to return when things "broke loose." Last week they received a telegram from Mr. Kneedler's relatives informing them that they were safe, but have had no further word.

The Kneedlers are living on Summit street in Barrington. They have two children enrolled in the Barrington grade school.

Rev. Poellot, former Palatine pastor, dies at Addison

Rev. Daniel Poellot, who retired in 1940 from a thirty year pastorate at the Palatine Lutheran church, died at his home in Addison Monday evening, following a heart attack three days earlier. The funeral will be held Friday afternoon at the Addison Lutheran church, of which this son of the deceased, Rev. Daniel Poellot is the pastor.

Rev. Henry Heise, of Waukegan, former classmate of the deceased, will conduct the services. Interment will be at Concordia cemetery, Forest Park.

The remains will lay in state at the Addison Lutheran parsonage Thursday evening and at the church from 12 to 2 Friday afternoon.

Rev. Poellot's health became impaired during the latter years of his Palatine pastorate, where he devoted all his energies to his church and congregation. During those thirty years a new church edifice and school building were constructed.

He raised three sons to follow his footsteps in the ministry. Rev. Herbert Poellot, who is at McKee's Rock, Pennsylvania; Rev. Luther Poellot at Dallas, Texas and Rev. Daniel Poellot at Addison.

Born in Chicago March 22, 1877, Rev. Poellot started his ministerial studies at the Milwaukee Concordia college in 1891; and graduated from Concordia seminary, St. Louis in 1900.

His first charge was at Belle Plain, Shawano county, Wisconsin; his second at Huntley, Ill. He came to Palatine in 1910.

Beside his wife and three sons, there remain two grandchildren, a brother, Myron Poellot and a sister, Mrs. Emma Wenzlaff, both of Chicago.

Notice of Rev. Poellot's death was mailed to all members of the Palatine congregation.

Announce final assessment figures

Upon completion of the review of the 1941 personal property assessments, Assessor Clark announced the comparative figures for all county townships for real estate and personal property. These figures will be the basis for establishment of the various tax rates in the country towns after completion of the entire county assessment.

The following table shows the comparative assessments:

Township	1940	1941
Barrington	\$ 2,728,887	\$ 2,794,057
Elk Grove	2,507,438	2,553,327
Hanover	1,639,660	1,678,176
Meigs	16,259,643	16,586,156
Niles	17,422,239	18,225,081
Northfield	6,494,710	6,891,832
Palatine	2,494,175	2,635,520
Schaumburg	1,065,820	1,086,764
Wheeling	5,852,071	6,084,419
	419,463,461	424,996,231

Barrington Town-warming program given

Meetings start Jan. 25; end Feb. 5

The complete program for Barrington's fourth annual Town-Warming, which will open Jan. 25 and continue through Feb. 5, was announced this week by Clayton N. Watkins, chairman of the program committee.

Representatives of civic organizations will meet at 6:30 o'clock tonight (Thursday) in the Jewel Tea dining room to complete arrangements for the annual project.

Eleven meetings are planned for this year, one every night except for Saturday, Jan. 31. Three speakers given "encore" performances—Dr. Roy L. Smith, Channing Pollock and Dr. James Shelby Thomas—will be augmented by eight new speakers whose names are well-known over most of the globe.

The complete program, as announced by Mr. Watkins, is as follows:

Sunday, Jan. 25—Dr. William L. Stidger, theologian, educator, journalist, radio personality. Subject: "The Look Ahead."

Monday, Jan. 26—Dr. William Lyon Phelps, famous Yale professor and literary critic, dean of American literature. Subject: "The Art of Living."

Tuesday, Jan. 27—Lewis E. Lawes, renowned prison authority and former warden of Sing Sing Subject: "Crime and the Home."

Wednesday, Jan. 28—Denise Connan Doyle, lecturer, journalist, son of the late Sir Arthur Conan Doyle. Subject: "Will This War End Christianity?"

Thursday, Jan. 29—Carroll Binder, well-known foreign editor of the Chicago Daily News. Subject: "The World in the News."

Friday, Jan. 30—Dr. Lyman Bryson, educator, lecturer, chairman of radio's "The People's Platform." Subject: "What Should We Do With Radio?"

Sunday, Feb. 1—Charles Eagle Plume, entertaining author on Indian Lore and culture. Subject:

Societies - Organizations
ARLINGTON HEIGHTS LODGE NO. 1162 - A. F. & A. M.
STATED MEETINGS:
First and third Thursday each month, 312 N. Dunton Ave.
James Bumba, W. M.,
112 Prospect Avenue
Mt. Prospect
Elmer W. Crane, Sec'y.

"The Indian's Road to God."
Monday, Feb. 2—Dr. Roy L. Smith, editor of the Christian Advocate. Subject: "Today's World."
Tuesday, Feb. 3—Channing Pollock, popular writer, lecturer and playwright. Subject: "What Can We Do for Democracy?"
Wednesday, Feb. 4—Dr. James Shelby Thomas, educator, economist and lecturer. Subject: "We Move in New Directions."
Thursday, Feb. 5—Dr. Ricardo Alfaro, former president of Panama, authority on defense of the Americas. Subject: "What Will South America Do?"

Meetings will begin at 7:30 o'clock with community singing, and each speaker will begin at 8:00 o'clock. There will be no admission charge, a free will offering being taken to help defray expenses.

Few Become Airlsick
Statistics by an airline for a period of months indicate only about three out of every 1,000 plane passengers become airsick.

Plastic Cars
When steel is scarce, manufacturers may make cars of opaque, or transparent plastics, in all the colors of the rainbow.

NOTICE
Annual meeting of the Mount Prospect Rural Fire Protection League will be held at the Mount Prospect village hall, Thursday evening, January 22, 1942, at 7:30 p. m. All members are urged to be present as important matters will come before the meeting.

Margaret Kastning weds Charles Grom, Barrington

Miss Margaret Kastning, daughter of Mr. and Mrs. Wm. Kastning became the bride of Mr. Charles Grom, the son of Mrs. Andrew Grom, of Barrington, on Saturday evening, in the St. Peter's Lutheran church.

Rev. Fricke officiated at the 8 o'clock service which was read by candlelight, with white tapers in tall candelabra, graced the altar of the church and the aisles. The altar was decorated with palms and baskets of white chrysanthemums.

Preceding the ceremony Misses Lois Bokelman, Mary Ann Eiler and Bernice Bornkamp sang "Oh Promise Me," and Mary Ann Eiler sang "The Lord's Prayer" following the service.

The bride entered the church on the arm of her father, who gave her in marriage. She chose for her wedding, a gown of white brocaded satin fashioned along princess lines with a short train and long close fitting sleeves. The neckline of the gown was square and she wore pearls, the gift of the groom. Her veil of finger tip length was held in place with a crown of orange blossoms, and she carried a bride's bouquet of roses and sweet peas.

Mr. Preuss who played Lohengrin's wedding march for the professional, also played Liebestraum during the marriage rites.

Miss Esther Kastning, sister of the bride, served as maid of honor and was gowned in aqua brocaded satin fashioned in the same manner as that of the bride. She carried deep pink roses in a colonial bouquet and wore flowers in her hair. Ray DeBolt, of Barrington, served as best man and the ushers were Edward Grom, brother of the groom and William Conrad both of Barrington.

Mrs. Kastning wore for her daughter's wedding, a gown of black and a corsage of roses. Mrs. Grom was gowned in duobonnet velvet and her flowers were roses.

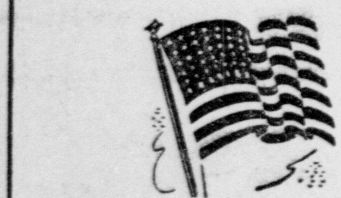

Following the wedding a reception was held for 85 guests in the Arlington Heights field house, where dancing was enjoyed to the music of Wally Hahnfeldt's orchestra.

The young couple left Sunday for a 10 day trip to Florida and upon their return will be at home in Barrington, where the groom is employed by the Jefferson, Lee and Coal Co.

The bride graduated from the local high school with the class of '36 and since that time has been employed by the Emerald Cleaners. The groom is a graduate of the Barrington high school.

Mrs. Rapraeger of Wisconsin Rapids, Wis., sister of the groom, attended the wedding, as did many people from Barrington, Twin Lakes and Chicago. The young people were the recipients of many beautiful gifts.

EAST MAINE

MABEL WARNCKE, Editor

Mrs. Wesley Landmeier underwent an operation for a kidney ailment at the Martha Washington hospital in Chicago, January 8. She is convalescing satisfactorily.

Mrs. Lenore Trivies visited with her friend, Mrs. J. W. Kath, several days last week. She left on Saturday for her home in Colorado. On Sunday the J. W. Kath's entertained their former neighbors, the Diger family, who are now living in Indiana.

The annual meeting of the Cook County Farmers' Mutual Insurance Company will be held on Saturday, January 24, at the Masonic hall in Jefferson Park at 1:30. A feature of the meeting will be the talk by Sgt. Harry Pence, of the Safety Division of the Illinois State Highway Police Department who will have some very interesting facts to impart to the members.

The East Maine P.T.A. are planning a dance for the last week this month, Saturday, January 31, to take place at the Croatian school hall beginning at 8:30. Meredith James' orchestra will play, admission 44 cents including tax.

The Northbrook unit of the Cook County Home Bureau had a most interesting meeting Thursday, January 8, at the home of Mrs. Kordeck on Landwehr rd. It was an all day meeting, each lady who attended contributing toward the delicious pot-luck luncheon enjoyed at noon. The topic of discussion and demonstration was making of slips. The ladies were taught how to make their own patterns and the various stitches and methods of sewing that could be employed to give to the finished garment that professional look.

Mrs. Kordeck and Mrs. Warren Long were in charge of the demonstration. The ladies plan to make all their meetings all-day affairs. This will give them additional time to do Red Cross work at the same time it will help save their auto tires.

The members of St. Matthews Lutheran congregation had a long business session at their annual meeting held last Sunday afternoon. Many matters of importance were disposed of and the following officers were chosen for 1942: Fred Finnern, re-elected chairman; Christ Hennig, financial secretary; George Sanders, recording secretary; Martin Geweke, treasurer replacing Henry Koch; Hans Poehls, member of board of trustees in place of Henry Ahrensfield. The other trustees who will serve with Mr. Poehls are Charles Schuknecht and William Tagtmeier. George Engel was re-elected to serve on the school board together with Adolph Moeller and Gus Wilkens. Elected to the board of collectors were John Auer, George Backs and Henry Koch.

NORTHBROOK

by EMILY THERRIEN, Phone 78

Mr. and Mrs. Herman Lorenz are receiving congratulations on the arrival of a son born at the St. Francis hospital on Jan. 9. They have a son named Jay.

The Victor Havel's had Mr. Don Lloyd and children as guests for the past few days while their mother flew to New York to visit her parents.

The Woman's Catholic club had a most interesting meeting last Wednesday, Jan. 15, when the new officers were installed. A most delicious luncheon was served. All officers were presented with a gift. Sunday, Jan. 18, will be communion for all the women of the parish at 8:00 a. m.

A party was tendered to Mrs. R. Eberlin last Thursday at the home of her mother, Mrs. Alma Moeller. She received many beautiful gifts.

Mrs. Louise Sintzel was hostess to the Pleasure club last Tuesday.

Northbrook Camp R.N.A. held their installation of officers, last Monday.

Super Deputy Carrie Krieger and her aide, Miss Martha, were the installing officers and ceremonial marshals. The officers elected were Oracle Neighbor, Alvina Stoelting; Vice Oracle, Neighbor Minnie Therrien; Chancellor, Neighbor Margaret Holste; Recorder, Neighbor Caroline Mueller; Receiver, Neighbor Emily Therrien; Past Oracle, Neighbor Minnie Pfingsten; Outer Sentinel, Neighbor Elfreda Moeller; Managers, Neighbors M. Therrien, M. Pfingsten and M. Holste. After a very interesting meeting, cards and refreshments were enjoyed. Several piano selections were enjoyed later.

The Presbyterian church will give a food demonstration on Friday, Jan. 23, at 2 o'clock. Martha Crane and Helen Joyce will speak on "Behind the Scenes in Radio."

'Buffalo' Staging Comeback American bison, familiarly known as the "buffalo," is gradually coming back in America after nearing extinction in last century. In 1934 a count of the herds indicated there were about 4,000 bison in the United States, and in 1939 another census showed the total was over 5,000, or an increase of 1,000 in five years. About 100 years ago, it is estimated, the great bison of the western plains numbered about 60,000,000. By 1895 this number had been reduced by unrestrained slaughter to a low of 800.

YOUR INCOME TAX

A series of weekly articles regarding your income tax has been prepared by the government and will be published in this space each succeeding week. Local banking institutions are preparing to extend their customary aid and have on display in their lobbies a simplified table and short forms that can be used by those with incomes of \$3,000 or less.

There are many thousands who will pay an income tax this year for the first time and the government is doing everything possible to cut unnecessary red tape.

Forms for filing returns of income for 1941 have been sent to persons who filed returns last year. Failure to receive a form, however, does not relieve a taxpayer of his obligation to file his return and pay the tax on time—on or before March 16 if the return is made on the calendar-year basis, as is the case with most individuals.

Forms may be obtained upon request, written or personal, from the offices of collectors and from deputy collectors of internal revenue in the larger cities and towns.

A person should file his return on Form 1040, unless his gross income for 1941 does not exceed \$3,000 and consists wholly of salary, wages, or other compensation for personal services, dividends, interest, rent, annuities, or royalties, in which event he may elect to file it on Form 1040A, a simplified form on which the tax may be readily ascertained by reference to a table contained in the form.

The return must be filed with the collector of internal revenue for the district in which the taxpayer has his legal residence or principal place of business on or before midnight of March 16, 1942. The tax may be paid in full at the time of filing the return or in four equal installments, due on or before March 16, June 15, September 15, and December 15.

In making out your income tax return read carefully the instructions that accompany the form. If you need more information, it may be obtained at the office of the collector of internal revenue, deputy collector, or an internal revenue agent in charge.

Remember that single persons or married persons not living with husband or wife, who earn as much as \$14.43 a week for the 52 weeks of the year, and married persons living together who have aggregate earnings of as much as \$28.85 a week for the year, are required to file returns.

National Wildlife Refuges There were 267 national wildlife refuges administered by the fish and wildlife service of the department of the interior on March 1, 1941, containing 13,740,304 acres.

DO YOU WANT TO SPREAD CHEER?

Seeing Eye dog to visit local Woman's club

"Karla" the seeing eye dog, owned by Miss Bernice Clifton of Oak Park, will guide his mistress to the village of Arlington Heights on next Wednesday, where she will give a talk before the Arlington Heights Woman's club.

Miss Clifton, blind lecturer, travels thousands of miles each year with only "Karla" as an escort, appearing before enthusiastic audiences who acclaim her lectures inspiring, educational and entertaining.

Miss Clifton has appeared on several radio programs, and has spoken over a coast network of the major broadcasting companies. In addition to lecturing and radio work, Miss Clifton is an instructor in Braille and also conducts a column in her local newspaper. She and her seeing eye dog have just recently returned from a five weeks trip to San Antonio, Texas and Mexico, doing their bit to spread the good neighbor policy.

Miss Clifton will speak on "Karla and I."

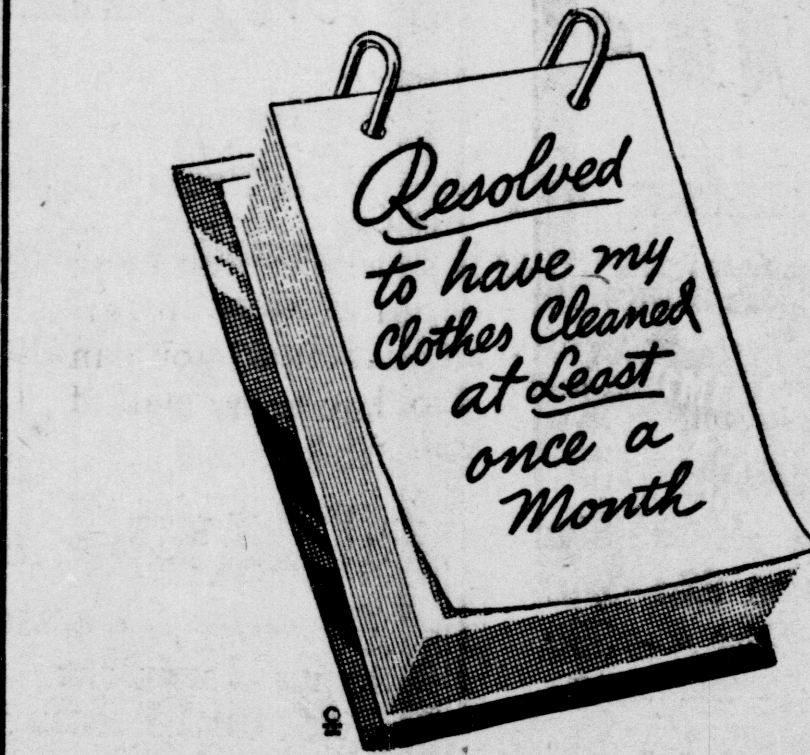

Arlington high school hangs new pictures

The graduating class of 1941 left part of their class funds for the purchase of pictures to be hung in the new classrooms, and the pictures having arrived for Christmas, have been on display at the high school for the past few days.

The pictures purchased are as follows: "October Days," "Sunny Afternoon," "New England Idyll," "Peaceful Evening," "Morning Mist," "Crest of Sierras," "Blanket of Snow," "Drifting," and six Lincoln Historical pictures were framed. One of the new pictures will be hung in each of the eight new classrooms, and the Lincoln Historicals will be hung in the new study halls.

Members of the class of 1941 can be proud of this memorial to the class and they are invited to see the pictures when visiting at the school. Class funds were also earmarked for the purchase of new warm-ups for the basketball squad which are now being enjoyed by the squad, and a large face clock to be hung on the outside of the building facing the athletic field when completed.

FOR YOUR PLEASURE HEALTH & ADVANCEMENT

Life with Mother

Jan. 9, 1942

Dear Eleanor:

Greetings from the North Pole! Well, maybe it's not quite that cold, but it was eighteen below zero this morning; here on the top of the hill. After spending eight days tucked away in a warm bed on the second floor, it was a little hard to pick up my clothes and hurry down to dress in front of the stove in the living room this morning.

What respect I hold for my long departed grandparents. At that, I think Grandfather had it a little easier than Rob has had it for the past few days. At least, Grandfather could always count on Dobbin being able to start in the cold grey dawn of a winter's morn. And Grandfather didn't have to catch a train to work every morning. He was a farmer in the true sense of the word. Ah well, give us time, it won't be long before we'll be back to the horse and buggy ways . . . and we'll consider ourselves "durn" lucky, too!

When the car refused to budge the other morning, Rob and the boys acted a little panicky, until they saw Lowell's man, Matt, coming over the hill in the truck. He gave Rob a tow around the drive a couple of times and finally the welcome sound of the starter indicated all was well. The next morning they had to repeat the same procedure and I began to think Rob would show signs of discouragement about the "joys" of country life. However, his only comment was to the effect that it could and does happen to people living in the city every day. As long as one can count on good neighbors to help in emergencies, everything's all right.

The pump in the kitchen sink refuses to give forth the wonderful soft water that I had become so accustomed to. Frozen solid. This means extra water carrying for the men of the family. We now have to use the well water for bathing, dish washing, cleaning, etc., and that means keeping several gallons of water on hand in the kitchen all the time.

The two older boys know what the word chore means now. Wood and coal to be brought in before they leave for school in the morning, along with several trips to the well house for the water. When I was sick they prepared the noon meal, took care of George and Edward and kept the stove fires going until Rob came home in the evening. I felt so sorry for all of them, but there wasn't anything for me to do but try and get well as soon as possible. And, I had to stay in bed to do just that.

George and Edward are recovering from colds. Neither one have been out of doors for days. George will not return to school for the rest of the week. He misses the school routine and would be restless if it were not for the new toys and books he received at Christmas. He likes to read to Edward and they spend a good deal of time sitting together on the sofa poring over and over the familiar rhymes and stories.

We did so enjoy your fruit cake and cookies. Between you and cousin, Georgia, we were quite well supplied. I doubt if you will ever be asked to give me your recipe for fruit cake at Christmas; I'll just go on expecting . . . the cake. We were all disappointed when it became necessary to cancel our dinner date with you at Shady Rest. However, I believe it was a blessing in disguise for you, particularly now, when you should be taking "life easy" as the saying goes. Having six into dinner, especially when five of the six are men with hearty appetites, is no little undertaking.

We are already talking about plans for our garden planting in the Spring. They say winter is the time to plant your garden on paper. It won't be long now before Rob will appear some evening at the door with a seed catalogue under his arm and I'll know it is really time to get out the pencils and paper. We hope to have a

much larger garden this year than ever before. We want to try our luck with potatoes and corn. Then, too, I should like to have cantaloupe, pumpkins, squash and cucumbers. We have never had the room for these heretofore.

Two pots of narcissi stand on the sill in one of the south windows against the frosted pane. Their fragrance and beauty is a daily reminder that though the winter is upon us with all its fury, spring is bound to re-appear. The little cherry tree we planted in the fall stands bravely facing the west wind, but wrapped in newspaper so that the rabbits will have to look elsewhere for tasty bark. Rob carefully replaced the straw around the rose bushes yesterday. The wind doesn't give a hoot or a howl if roses bloom on the south side of the porch next June, but WE do.

"Safe in the earth they lie, serenely waiting; They never speak to north wind"

Red Cross knitting groups organize and get to work

The click of knitting needles and the hum of sewing machines has been growing in volume in dozens of Arlington Heights homes during the past two weeks. According to Mrs. Thelma M. Carroll, chairman of the Arlington Heights Red Cross Unit, many new groups of workers are organized and have scheduled regular meetings in addition to those announced in the Herald last week. New units include those headed by Mrs. A. A. Klein, 516 N. Chestnut, whose group will meet Thursday of this week for the first time, a group headed by Mrs. Fred Lewke, 614 S. Chestnut, whose first meeting is scheduled for January 22, the PEO group who met Tuesday, January 13, under the direction of Mrs. Wm. Tuttle, 900 E. Euclid, the group headed by Mrs. C. I. Davis, 515 S. Vail, who met for the first time on January 14th, and a new group organized in Stonegate under the direction of Mrs. Peter Atwood, scheduled to meet Tuesday, January 20th.

While a large part of the materials fashioned by knitting and sewing are designed for service men, the bulk of the materials now being fashioned is intended for the use of destitute civilians who have been "bombed" out in England, Pearl Harbor and other areas where the American Red Cross is able to supply relief. Children's air-raid suits are one of the most important items, while hospital and operating gowns likewise represent a large part of the output.

Local unit complimented by area chapter

A very gratifying tribute to the industry of the Arlington Heights unit was contained in a letter of January 9th written by Mrs. Grace B. Pettingill, director of volunteer service. This letter, addressed to Mrs. Thelma M. Carroll, chairman, states, "... I am writing to tell the members of the Arlington Heights Unit how tremendously impressed I am with the outstanding record which they have established in helping us through these months of grave emergency. The American Red Cross extends to all the members of your Unit sincere gratitude for the splendid cooperation which we have had and for the exquisite garments which they have made. Will you extend to each member of your fine organization the sincere gratitude of Chicago Chapter for their loyal participation in our Production program? One of the most valuable characteristics of our Volunteers is their training and preparation to help all challenging emergencies. The Volunteer Service of our Chapter will progress when we all have the determination to serve in these crises.

"You have been personally most cooperative and I am delighted to know that your fine record has been accomplished through the satisfactory cooperation of your sewing instructor, Mrs. Albert Mors, and of Mrs. Marvin Tackett, Scarsdale chairman."

Workers volunteer
100 per cent in Scarsdale
Mrs. Marvin Tackett, chairman of Scarsdale Unit, reported that the four groups now organized in Scarsdale represent 100 per cent in the subdivision who are physically able to aid in the program. Mrs. Tackett explained that the chairman and the officers meet every two weeks. At the meetings the members of the groups work from three to five hours, while some of the groups have now scheduled their meetings to last through five hours, beginning at 10 in the morning and continuing into the afternoon. In addition to the work done at the meetings, nearly all members are augmenting the program by continuing the work at home during the two weeks between meetings, and adding to the total of production.

Anyone who is not a "group" member, and who wishes to participate in Red Cross activity, is urged to contact Mrs. Carroll for complete information.

Arlington Local News

Mr. and Mrs. Arthur Collins of Chicago were Saturday guests at the home of Mr. and Mrs. Edward Leitch, Jr.

Mrs. Ray Hayes entertained Misses Edith Leone and Harriet Lindsay at tea on Thursday afternoon.

Mr. John Kent returned to the village on Tuesday from Minneapolis, where he has been with his father for the past two weeks during his last illness and death. The funeral was held on Monday.

Mr. and Mrs. Jack Monroe and family were Sunday dinner guests at the Donald Wallace home in Evanston.

Mr. and Mrs. W. G. Franke were hosts at a neighborhood party on Saturday evening when twenty-one gathered in the Franke home to see sound movies of events of 1940 and 1941, up to the minute news reel, and other pictures. The hostess served a buffet supper.

Mr. and Mrs. Charles Blocker were hosts to their club for dinner and bridge Sunday evening.

Mrs. Guy Baxter attended the wedding of Mr. Norman Rhodes and Miss Elizabeth Schuman of Burlington, Wis., on Tuesday of last week.

Mrs. Wallace Jacobus was hostess to her bridge club for dessert and cards Wednesday afternoon.

Mr. and Mrs. George Landis of Nappanee, Ind., spent Thursday and Friday at the home of Mr. Landis' sister, Mrs. N. K. Barr. The Landis family were on their way home from a southern vacation spent in Texas and New Orleans where they found it too cold to be comfortable.

Miss Beverly Oden celebrated her eleventh birthday on Thursday, Jan. 8th, with twelve school friends who came in after school for a birthday party.

Mr. and Mrs. Lawrence Krefl are parents of a baby girl born on Wednesday, Jan. 7, in the Elmhurst hospital. The baby weighed 6 pounds and has been named Karen Lynn.

Mr. and Mrs. Raymond E. Paul and family of Kennesaw, Ind., were Saturday dinner guests at the home of Mr. and Mrs. Neal Graham.

Mr. and Mrs. Donald Costain were hosts to their bridge club for dessert and cards on Friday evening. Mr. N. Carlson and Arthur Mundy received high honors for the evening.

Mr. and Mrs. Marvin Prellberg were hosts to the Sunday evening club for dinner and cards this week.

Miss Florence Smith spent the week-end visiting in the home of her brother, Jay Smith, of DeKalb.

Word has been received in the village of the death of Mr. E. H. Merritt, of Algonquin, who with his family made his home in the village some years ago. Mr. Merritt passed away in his home in Algonquin and was buried in Arlington, Friday. He leaves to mourn, his wife and three sons.

Mrs. R. C. Haase entertained a group of friends for luncheon and bridge following bowling on Tuesday.

Music students to appear on radio program

W. M. A. Q. has again invited the Arlington Vocal groups to appear on the high school studio party broadcast this coming Saturday morning, Jan. 17 at 11 o'clock.

The girl's chorus and ensemble, directed by Mrs. I. Wintersteen, will appear in a half hour broadcast, combined with talented students from Chicago high schools in novelty and dramatic presentations.

The day has also been chosen by the remainder of the music department for the annual trip to the city. After the broadcast, students will attend movies, visit points of interest and education, and in the evening attend the Indianapolis symphony concert in Orchestra hall.

According to Mr. Costain, who is arranging the trip, about two hundred students are going, and over half of them are planning to attend the symphony in the evening.

The Cub Scouts have invited all of the Campfire girls, and the Blue Birds and their parents to attend a program in the North school building on Friday evening at 7:30 p. m. The chief performer on the program will be a trained dog. The girls will attend in their service costumes, and are looking forward to the evening with pleasure.

The Trailseekers and Woodgatherers groups are busily preparing to take their examinations which have been set for February 28.

Blue Birds to learn dance rhythms

Miss Irene Edwards, teacher of the public kindergarten is teaching folk dancing rhythm and group games to the Blue Bird groups in the village. The classes started Monday, January 12, when the 3rd grade Blue Birds met after school in the field house and the 4th grade Blue Birds will have their classes on January 19 after school in the field house. Miss Betty Grose is the accompanist.

Home nursing class to meet Wednesday
There will be a meeting next Wednesday at 10 a. m. at the field house for all who have signed up for the home nursing class and all others interested in taking the course to decide on the most convenient time for classes. Bring your \$1.00 registration fee with you.

Mrs. Wilbert Pate left last week for Allentown, Pennsylvania and New York City for a two weeks vacation. While in New York she will visit Lorraine Nelson, formerly of Arlington Heights.

Zinc With Mercury
Zinc amalgamates readily with mercury, and it is only necessary to heat the mercury to the boiling point and to add the zinc in small pieces. To amalgamate directly on a zinc plate, heat the zinc to about 482 degrees to 500 degrees F., and coat it quickly and uniformly with a solution of chloride of zinc and ammonia applied with a brush, then dip it at once into mercury. Amalgamation takes place immediately.

'Bundles for Bluejackets' organized

Bundles for Blue Jackets—the new National organization founded for the benefit of American Soldiers and Sailors, opened a local unit Wednesday morning, when a large group of interested women met at the home of Mrs. George Hartford in Stonegate.

Mrs. George Hartford, who has been appointed general chairman for the entire northwest area by Mrs. John P. Cohane, chairman of the Chicago area, told of the aims and purposes of the organization—that of keeping a close personal contact with American Sailors and Marines, the knitting of all needs for the boys, as designated by Admiral Downs, Commander of the Great Lakes Naval Training Station, and the filling of Comfort kits for the sailors and marines. Units in various parts of the country work for the Naval Station nearest to them.

Twenty-six units have been organized in the suburban area of Chicago already, and all are working for the Great Lakes boys, where the need is great.

The group will meet every Wednesday morning at the home of Mrs. Hartford from 9 a. m. to 12 p. m. and anyone interested in knitting for this organization or in filling a comfort kit for some sailor boy for \$1.00 may do so by contacting the organization.

A group of women from Park Ridge were also present at the meeting, to gain information for the organization of such a group in that suburb.

Presbyterian women to start Red Cross sewing

The women of the Presbyterian church will meet January 20 at 10 a. m. in the aid room for an all day sewing for the Red Cross. Lunch will be served at cost at 12 o'clock. It will help out a great deal if you phone your reservation either to Mrs. Martin Fehlman, phone 787-R or Mrs. F. E. Briggs, 212-J.

AMERICAN LEGION AUXILIARY NOTICE

Mrs. Paul Carroll, 116 W. Euclid avenue will entertain the Merle Guild Unit and the A. L. A. at an evening meeting on Tuesday, January 20 at 8 p. m.

Nurses club to take course in first aid

The Nurses club of Arlington Heights are organized to take a first aid course as approved by the American Red Cross. It is requested that all nurses in this area whether members of the club or not, contact Mrs. Russell Ford, 14 E. Euclid ave., phone 576-J for further particulars.

This course will be given by Dr. John A. Cousins, who is an instructor certified by the American Red Cross.

The first class will be held at the home of Mrs. Ford Wednesday evening, January 21, at 8 p. m.

The Nurses club of Arlington Heights met at the home of Mrs. Wm. Neumann Friday evening. Dr. John A. Cousins was the speaker of the evening.

Red Cross unit welcomes new members

Hillside Red Cross Unit met Jan. 8, at the home of Mrs. E. Thorsen. There were 18 present. Those welcomed were Mrs. L. Foss, Mrs. J. Ryan, Mrs. K. Witten of Wood Dale, Mrs. R. Schwertfeger, Mrs. A. Hamilton, Mrs. C. Ebitz and Mrs. L. Maierhofer and daughter, Dorothy, of Hillside, in to the Unit. Mrs. B. Blumquist served a lovely luncheon at noon. The day was spent sewing children's dresses and baby gowns and booties. Anyone is welcome to come and join us, or call Mrs. E. Thorsen, 7047-J.

The Hillside War Relief Workers will again canvass their territory. Give freely and be loyal to the Red Cross if for any reason during the drive you would like to have us call again, phone 732-R. Mrs. R. Freeman, Co-chairman.

Presbyterian ladies aid plan luncheon

Four committees from the Ladies Aid Society of the Presbyterian church are planning a chop suey luncheon, under the chairmanship of Mrs. C. I. Davis. The luncheon will be held on Wednesday, January 28, and will be served from 11:30 to 1:30. Tickets may be purchased from any member of the Ladies Aid for 40 cents for adults and 25 cents for children under twelve.

Renowned psychiatrist to address Arlington P-TA

Dr. John Chornyak, Director of the Illinois Society for Mental Hygiene will be the next speaker for the Arlington Heights Parent Teacher Association which will meet on Tuesday evening, Jan. 20, in North School at 8 p. m. He will speak on "Home and Health" in keeping with the theme for the year, "Home—Democracy's First Line of Defense."

The local P-T-A. feels indeed fortunate in having secured the services of Dr. Chornyak, a physician, psychiatrist, author and an authority on mental hygiene.

Dr. Chornyak came to the Illinois Society for Mental Hygiene from Pittsburgh, where he was a psychiatrist for the juvenile court and special lecturer and consultant to the University.

His career includes B.S. and M.D. degrees from Pittsburgh University, and M. S. C. degree from the University of Pennsylvania. He also holds a Doctor of Science degree in neurology and psychiatry from the same university.

Dr. Chornyak was made a Commonwealth Fund Fellow of the National Committee for Mental Hygiene, in the Judge Baker Guidance Center in Boston, Mass. in 1936, and as a direct result of

this work became very much interested in child psychiatry, offering the best opportunities for preventative work and treatment, and became interested in the psychopathic personality and also the field of crime and delinquency. For several years he worked as psychiatrist in the juvenile court in Pittsburgh where he continued

his studies in psychiatry. This work gave him great insight into the significance of sociology, and community structure to personality disorder.

Dr. Chornyak who spoke before the convention of the Illinois Congress of Parent and Teacher Association last spring in Belleville, Ill., was considered one of the outstanding speakers on the program, and the local P-T. A. is indeed fortunate in having secured his services.

Mrs. Kenneth L. Heimlich and her daughter, Shirley, left this week for a vacation in Florida.

It Happened Here

The Christmas decorations were all taken down, the wreaths from the door and the gilt framed mirrors, the sturdy Swedish bell that hung in the double doorway to stir the heart with its brazen clangor when any one touched the clapper, the jingle bells strung on ribbon with pine cones, the little white Christmas tree lamp, all are down and safely wrapped and packed away in labelled boxes; the Christmas tree that was so brave in the window is dismantled, its ornaments and strings of lights also carefully wrapped and stowed away for a Christmas to come; the tree, brown and shorn of its glory, was upended on the lawn to be borne away at once by foraging boys, no doubt to take its place in a magnificent pyre—perhaps a significant pyre; the Christmas cards with their color and cheer, now destined to brighten some less fortunate corners. With the lights and colors gone from the walls and the windows there is a deepening of the spirit that the festival evoked; the fairyland of lighted trees on lawns and beside doorways were only a symbol of something indestructible toward which we reach. "In January," writes the author of Storm, "the sun rides deep in Capricorn far from the northern pole. Unbroken darkness lies over the Arctic and from the ever-heaving chill of that night the cold air sweeps southward." This week the sun is finding Capricorn uneasy going and no doubt he wishes he had chains and a spare or two on this bumpy, zodiacal road and he's looking for a sign that reads, "Taurus." But we are not giving out any information about the weather, not in this column, only Billy Devine's mother says she isn't letting him deliver papers in zero weather.

August Geweke urges gardeners to help government in crisis; speaks at 40th annual meet

Members of the Cook County Truck Gardeners and Farmers Association assembled at the Masonic hall in Jefferson Park, Saturday afternoon, for the fortieth annual meeting of that organization. Mr. August Geweke presided and called the meeting to order.

Annual reports of the secretary and treasurer were submitted which showed an increase in membership and in the financial status of the association.

Mr. Geweke's annual report was a brief summary of the past forty years of the life of the organization. He told of its inception just after the turn of the century when problems of the farmers and the farming industry became so important that an organization was considered necessary and the Truck Gardeners association was incorporated. Its membership was confined to Cook county for many years, but today its members also come from the adjoining counties of Lake and DuPage.

At various times in years past farmers were faced with unjust licensing and taxing problems. These cases were all promptly defended by the association. The problems of marketing produce have ever been and still remain one of the biggest items with which the farmers in the Chicago-land area must cope. Mr. Geweke cited a few particular instances of

marketing difficulties which had been successfully ironed out. Other topics he touched on in his report were the transportation problem and the building of hard roads; the child labor law and its connection with the farming industry; the litigation involving the disconnecting of farm lands from neighboring villages and the part the association had played in instituting extension work in this country.

In conclusion, Mr. Geweke stated that the general procedure of making recommendations and definite plans for the future must temporarily be dispensed with, for it has now become the duty of every farmer and citizen of the United States to use their ways and means to get behind and assist their government in the successful operation of the present crisis.

Other speakers were Professor Walter A. Huelson, chief in vegetable gardening at the University of Illinois. His talk followed lines of general interest to the farming and truck gardening industry and reported on work done at the Cook County Experiment Station west of Des Plaines.

Mr. A. B. Farlinger, representing the United States Department of Agriculture, spoke on the price reporting service on the markets. He told how the prices were gath-

OBITUARIES

Henry Branding

Mr. Henry Branding of Lake Zurich passed away at his residence at Lake Zurich on Monday evening, at the age of 76 years, 10 months and 4 days.

Mr. Branding was born in Pommern, Germany, on March 8, 1865, and at the age of 17 years, came to the United States and made his home at Lake Zurich.

In November, 1891, he was united in marriage to Miss Bertha Hillman at Lake Zurich. This couple have always made their home in Lake Zurich where on February 11, 1924, Mrs. Branding passed away.

Mr. Branding has served his community as a public official for a great number of years and was also a very ardent worker in his church.

He leaves to mourn his departure, one son, Mr. Emmett Branding of Chicago; two daughters-in-law; four grandchildren; two sisters-in-law; two brothers-in-law.

Funeral services were Thursday afternoon, January 15, at 1:00 p. m. at Karstens funeral home at Arlington Heights and at 2:00 p. m. at the Lake Zurich Evangelical church; interment in the Lake Zurich Evangelical cemetery.

John M. Thomas

John M. Thomas of Des Plaines, died suddenly last Wednesday while at work at the Hack machine company plant in Des Plaines. Services were held Tuesday morning from the Lauterburg and Oehler Des Plaines chapel to Acacia cemetery, Rev. Manning officiating. Deceased is survived by a son, Richard E. Thomas, officer of the U. S. fleet in the Pacific.

ered and later made available to the growers.

The Board of Directors, elected at the afternoon session, held their first meeting at 8 p. m. Saturday evening. Incumbent officers were re-elected as follows: August Geweke, president; Walter F. Sass, first vice president; Thomas Hoekstra, second vice president; Louis Schroeder, treasurer; Henry Gerken, secretary; and Elmer J. Steil, assistant secretary.

The following gentlemen compose the board of directors: Jefferson local No. 1—Fred Gerken; Skokie No. 2—Ed. Guenther, W. Kutz, R. Hacker; Maine No. 3—A. Geweke, F. J. Wilke, E. J. Steil, H. Koch; Glenview No. 4—W. Bernhard; Lansing No. 5—G. Terpstra, W. VanderWolf; Des Plaines No. 6—L. Schroeder, G. H. Geils; Dunning No. 7—W. F. Sass, H. L. Moeller, E. Anderson; Elk Grove No. 8—C. Koelper, E. Wille, J. Wettermann; High Ridge No. 9—F. Klein, E. Koeune, F. Herff; Arlington Heights No. 11—H. Metz, R. Lampp; Leyden No. 12—E. F. Moeller, J. C. Grandt; W. H. Pruetter; Buffalo Grove No. 15—N. Herff, T. Weidner; New Trier No. 16—J. W. Selzer; Mt. Prospect No. 17—H. Beer, C. Wille; Evergreen Park No. 18—T. Hoekstra, P. Pierson; Blue Island No. 21—F. Van Laten, J. W. Beck; at large—Henry Gerken and Louis Wettermann.

Ernst Gerstner

Ernst Gerstner of 100 Edward street, Mt. Prospect, passed away Sunday evening at the age of 81 years, 11 months and 2 days.

Mr. Gerstner was born February 9, 1860 in Pommern, Germany, was baptized and confirmed there and came to the United States in the year 1883 and made his home in Chicago.

On December 6, 1890, he was united in marriage to Miss Emelie Noffke, by Rev. Reinke at the Bethlehem Lutheran church, at Paulina and McReynold streets in Chicago. This couple made their home in Chicago until 15 years ago when they came to make their home in Mt. Prospect, where he passed away.

He leaves to mourn his departure his loving wife "Emelie" and 2 sisters-in-law, and 2 brothers-in-law, also a host of nieces and nephews and other relatives.

Funeral services were Wednesday afternoon at 1:30 at the residence at 100 Edward st., Mt. Prospect, and at 2:00 p. m. at the Mt. Prospect Lutheran church. Interment in the Concordia cemetery at Forest Park.

Herman Huske

Herman Huske, 67 years old, for more than 19 years a patrolman for the Cook County highway department, died Saturday evening at 5:30 at his home in Hanover township, following an extended illness.

He was born in Posen, Germany, on June 30, 1874 and at the age of 9 came to this country with his parents, settling in Palatine. For the last 52 years he has resided in Hanover township. He was a member of the Hanover Evangelical church.

Survivors include his widow, Mrs. Rieka Huske; four sons, Albert and Harold Huske of Elgin, Raymond of North Chicago and Richard Huske of Hanover township; two daughters, Mrs. Helmut Witt and Mrs. Fred Krunfus, both of Elgin; one brother, Fred Huske of Staples, Minn., and four grandchildren.

Funeral services were held Wednesday afternoon at 1 from an Elgin mortuary and at 2 from the Hanover Evangelical church with the Rev. William Rest officiating. Burial in Bluff City cemetery.

Herbert Kreft

Herbert Kreft was born in Chicago Jan. 5, 1923, the son of Mr. Herman Kreft and his wife, Anna nee Baumgarten. He attended the Immanuel Lutheran school, Palatine. He died Jan. 10, 1942, as the result of an accident at the age of 14 years and five days.

He leaves to mourn, his parents, Mr. and Mrs. Herman Kreft of Palatine, his brother and sister, Mr. Paul Kreft and Mrs. Fred Meyer, Jr., his brother-in-law and sister-in-law, Mr. Fred Meyer and Mrs. Paul Kreft, and two nieces, Carol Jean and Marjorie Ann Meyer.

Funeral services were conducted from Immanuel Lutheran church in Palatine, Tuesday afternoon at 2, with the Rev. W. C. Koester officiating. He was interred in Rand Hill cemetery.

Edward Schielie

Edward Schielie, Des Plaines, died Friday at an Elgin hospital. Services were held Monday from the Lauterburg and Oehler Des Plaines chapel with burial at Ridgewood. Rev. Manning officiated.

"Badlands of Dakota" now at Des Plaines theatre

A rip-snorting two-gun action drama of the early days in Deadwood City is "Badlands of Dakota" now showing at the Des Plaines Theatre. Some of your screen favorites who appear in this thrilling film are Richard Dix, Bob Stack, Ann Rutherford, Frances Farmer, Andy Devine, Brod Crawford and Hugh Herbert. To make the current double feature program a prize-winner, "Badlands of Dakota" boasts as its co-feature, "Unfinished Business," a romantic comedy-drama co-starring Robert Montgomery and Irene Dunne. Preston Foster is also prominent in the cast of the latter film.

On Sunday, the Des Plaines Theatre presents "You'll Never Get Rich" with Fred Astaire and Rita Hayworth co-starring. Life magazine wrote up "You'll Never Get Rich" as one of the best musical comedies ever to come out of Hollywood, and devoted practically a whole section of their book to it. "It Started With Eve" shares honors on the Sunday program. This is the new Deanna Durbin film with Charles Laughton in a starring role.

Bensenville Breaks Palatine Win Streak at 20 Straight

by G. A. McELROY

Friday's games left the Northwest race a wide open affair but in the Northeast the narrowing down process continued. Antioch, Bensenville, and Palatine are on even terms again in the Northwest while Niles is undefeated and Libertyville the only team that has suffered but one setback in the Northeast.

Antioch Has Best Chance

The schedule is at the half way mark in the Northwest and though three teams are tied for the lead Antioch has edge on their two southern rivals. The Sequoias are the only northern team in the first division while the other three (Palatine, Bensenville, and Barrington) are in the southern division. In as much as home and away games are played in each division Antioch has an edge. Antioch plays Bensenville, Barrington, Wauconda, Grant, and Elia. Palatine meets Grant, Wauconda, Barrington, Northbrook, and Bensenville for almost the same schedule but has to meet their strongest rival, Bensenville, away from home while Antioch has a home floor advantage in meeting the Bisons.

Bisons Face Tough Schedule

Bensenville has a tough lineup of games for the last half of the race and seems certain to lose at least one and a good chance of dropping two. The Bisons must meet Antioch, Barrington and Elia away from home and play Northbrook and Palatine at home. Four of these teams are strong enough to whip the Bisons if they are going good or Bensenville is even a little off form.

Still Have Mathematical Chance

Barrington with two defeats must win all their remaining games to have a chance to tie for the title. This is unlikely since they have exactly the same schedule of opponents as Bensenville though two of the strongest (Antioch and Bensenville) are met at home.

Leaders Meet Friday

The next two conference games will probably decide the fate of Antioch, Barrington, and Bensenville. This week Bensenville plays at Antioch and one of them will drop from the lead. Also this week Barrington plays at Elia. The next week is an open one in the schedule but on January 30 Antioch will play at Barrington and Elia at Bensenville. Meanwhile Palatine will be playing away from home at Grant and Wauconda, a pair of second division schools.

Clear Title Will Be Surprised

It would not be much of a surprise to us if all of the three leaders dropped at least one more game and we doubt very much if any team gets an undisputed championship.

Niles Sets a Record

Niles not only remained the only unbeaten Northeast team but set a scoring record for the league in pushing Crystal Lake out of the title picture by a count of 76-53. No league team has scored that many points prior to last Friday and certainly no pair of teams combined has ever in the history of the league tallied a total of 129 in 32 minutes of playing. With Crystal Lake dropping to a 3-2 standing, Arlington also dropped out of the contention position by suffering a 37-36 upset at Woodstock. If the Cardinals of Arlington fail to conquer Niles this week in their only meeting of the year they can just about kiss their championship chances good-bye as this would leave them three games behind with but six remaining to be played.

Wildcats Chief Contenders

Even if Niles keeps on winning there is every possibility that Bergstrom's Libertyville Wildcats will still be right on their heels with a chance to get on top when the two teams meet at Libertyville February 13. This looks as one of the big remaining games along with the Niles at Arlington game this week and the Arlington at Libertyville return engagement February 27.

Northeast-Northwest Leaders Meet

Niles looked like anything but champs in their holiday games at Sheldon and Watseka where they were thumped by scores of 42-22 and 37-29. However, when the Trojans are in form they are the hottest shooting team in this section of the state. Their total of 64 points against New Trier in an earlier game is another example. Niles plays at Palatine a week from Saturday night which should be a natural for scouts from the other teams of both leagues. No one else in either circuit has a

game that night. Coaches from the Northeast may come to see him. Niles reacts to a zone defense. No one in the Northeast uses a zone. Northwest coaches are gunning to keep Palatine out of a share of the title again and will come to see the Pirates' weaknesses against a pressing man for man defense.

Get New Players

George Sterbenz, star of the Antioch football team who was stricken in mid season with a ruptured appendix, is back in basketball again. Last year Sterbenz was one of Antioch's best players. Though he will have a tough time crashing the Sequoits regular lineup considering the way they have been playing, he will be a valuable boy to have around and his work at guard should boost Antioch's championship hopes.

Palatine will get a new player in another week with the beginning of the second semester when George Cramer a six foot two inch forward becomes eligible. Cramer played on the lightweight team as a freshman, but was out of basketball last year with a knee injury. The first part of the year Cramer was in school in California.

Early in the season the Crystal Lake Coach, Art Njaa, told us that a former varsity guard from Glenbard would be eligible for basketball on the Lakers' team the second semester. If the boy does become eligible it will help the Lakers where they are the weakest. Niles' 76 points indicates where Crystal Lake's weakness lies with out any further comment.

Picks of the Week

In the Northwest our picks are Antioch to nose out Bensenville, Palatine to edge out Grant in a close one, Wauconda to beat Northbrook, and Barrington to take Elia by a narrow margin. In the Northeast we pick Niles over Arlington, Libertyville over Lake Forest, Woodstock to trip Leyden, and Crystal Lake to whip Warren.

String Is Broken

Friday's end to Palatine's long victory string recalls to mind the last home defeat the Pirates suffered prior to the Bensenville one pointer. Back in January, 1939, Barrington beat the Pirates at Palatine 26-25.

The last conference defeat was at Wauconda in January, 1940, when the Pirates lost in an overtime 26-24. The last previous Bensenville varsity victory over Palatine was in 1936.

Throws league race into 3-way tie

Pirate lights win handily, 21-16

Palatine's long winning streak in the Northwest Conference and on the home court came to an end Friday night as Bensenville snapped the Pirates string by handing them a 29-23 defeat. Palatine had won 20 straight in the league and 19 in a row at home before Friday's setback.

The defeat threw the varsity race into a three way tie for first place at the half way point in the schedule with Antioch, Bensenville, and Palatine on even terms.

Bensenville led throughout the first half of the varsity game as they had control of the ball most of the time and Palatine's passing was so erratic that the Pirates got only nine shots at the basket while the Bisons were attempting 30. Bensenville had a 15-12 lead at the intermission but Palatine came back strong in the third period as Schowlow and Howes hit for three baskets apiece and ran the count to 26-17 for the home team with only 10 minutes to go. With what appeared to be a comfortable lead, Palatine's defense began to slip up and the alert Bisons poured in six baskets to regain the lead at 29-23 with three minutes to go. Meanwhile Palatine's passing and ball handling reverted to the form of the opening quarter and they got only eight shots and nary a point in the last eight minutes. The Pirates had three free throw chances to tie the score in the closing minutes but blew them all.

Bisons Play Alert Game

Except for the third period Bensenville had a definite edge in all round play. Their passing and aggressive rebound work took away Palatine's height advantage. Bumann, Bison center, cut back and forth through the Pirates' zone and enough passes got through to him so that he caged six baskets in 15 attempts. Howes, Palatine center, got five baskets in eight shots but had no field goal attempts in the last quarter and only two in the first half. Kernats, Bensenville's speedy sophomore guard, made four long baskets. Schowlow scored 10 points for Palatine, eight of which came in the third period.

Palatine had a fine shot percentage of 34 but got only 32 shots of which they scored 11. Bensenville hit 14 out of 49 for 29 percent. The difference in shots attempted shows for the most part which team was in control of the ball.

Palatine plays at Bensenville in the final game of the season on February 20. The Palatine lightweights played their best game of the season to remain in a tie with Barrington for the league lead by whipping a tall Bensenville junior team 21-16. After the little Pirates settled

down their fast passing and aggressive defensive work gave little doubt as to the outcome of the game. Billy Hartman sparked the Pirates with five baskets in eight shots and Herr got six points plus doing a fine job of defensive rebounding. Palatine led 10-8 at the half and 19-12 at the end of the third quarter.

Due to their height Bensenville got almost twice as many shots as Palatine, but made but 11 percent while the Pirates hit for 30 percent. Miller was the only Bison to get two field goals.

Barrington trounces Northbrook, 40-37

Barrington won their third straight doubleheader Friday at expense of Northbrook. The broncho varsity won 40-37 and the lights came out on top 36-11.

Barrington ran up a 12-3 count in Northbrook in the first quarter and was in front 22-11 at the half. Northbrook scored 26 points to Barrington's 18 in the last half as Klein and Hoffman hit the loop consistently. Barrington was charged with 21 fouls and Northbrook 14. The Vikings connected on 15 of 24 free throw attempts.

Zimmerman, Miller and Wollars scored all but six of Barrington's points.

Barrington's lightweights held a 14-4 lead the first quarter and won with little trouble. The regulars played in only the first and third quarters and piled up 26 of the total 36 points.

Cardinals tie for third; Lights lose

Late rally falls short

By JOE SMART

The Cards started the new year off on the wrong foot last Friday as they lost to Woodstock 37-36. The junior varsity also got beat, 23-12. Arlington's defeat puts them in a tie for third place with Crystal Lake and Woodstock.

The first quarter was a see-saw affair with neither team having much advantage. The quarter ended with Woodstock's Blue Streaks leading, 8-7. During the second quarter the Blue Streaks increased their lead on fast breaks and one-hand push shots from the middle. As the half ended the Streaks led 24-20. Woodstock stretched their margin in the third quarter to seven points and they led 33-26. Then starting the last quarter the Cards set out to win and their hard drive fell short by one point. Free throws by Corey and Dustheimer in the last two minutes saved the game for Woodstock.

One of the Cards' faults was the inability to guard the Streaks' push shots from the free throw line which helped in gathering most of the points. Heading in scoring was Corey of Woodstock with 16, while Becker hit the hoop for 12 points for Arlington. Woodstock had 16 baskets to 11 for the Cards but the Cards made 14 out of 18 free throws for an excellent percentage.

The Green Tornadoes lost their fourth conference game last Friday 23-12 at Woodstock. The young Cards held on gamely during the first half but during the last period they relaxed their grip and Woodstock scored easily. The score at the half was 8-6 with Woodstock leading. The Tornadoes could not break through the young Streaks' zone defense and they made but 12 percent of their shots. Wendt and Miles of Woodstock seemed to hold the lightning thru-out the game. Both games were roughly played as the officiating was not up to par.

Next Friday the Cards play the league leading Niles quintet on the home court. Last Friday Niles scored over 70 points against Crystal Lake so it ought to be a thrill.

Libertyville takes double win from Leyden, 49-39, 29-24

Libertyville trounced Leyden twice Friday as the varsity took the Eagles by a count of 49-39 and the Wildkats remained undefeated with a 29-24 victory.

Libertyville had their own way for three quarters of the varsity game as Huffman and his mates hit the net from all angles to pile up a 17-7 lead the first quarter which they extended to 29-14 at the half and 41-27 in the third period. Libertyville hit close to 50 percent of their shots in the first half and their superior height was too great a handicap for the small Leyden boys to overcome.

Huffman with 18 points led the Wildkats while Smith with 13, was high for Leyden. Leyden's freshmen gave the Libertyville junior varsity a close battle but were never in the lead. Shaffer of Libertyville connected for six field goals and missed all seven of his free throw attempts. Johns scored seven points for Leyden.

Wauconda loses to grant, 33-26

Wauconda and Grant split last Friday's games at Fox Lake. Grant took a 24-15 lead at half time in the varsity game and went on to win 33-26. Wauconda took on the junior game 17-13 in an overtime.

Paced by Vickers with 12 points and E. Gerresten with eight counters Grant displayed some fancy basket shooting and was out in front by a comfortable margin after the first quarter. Oswald got nine points and Pankonin eight for the losing team. B. Gerresten, one of Grant's best performers, was out of the lineup.

Wauconda's lightweights scored nine out of 11 free throw attempts while Grant scored but one out of five and that told the story. Wauconda led 6-4 at the half and 13-9 at the end of the third period. After failing to score in the last quarter and allowing Grant to tie the score Wauconda took the contest in an overtime on a basket by Peterson and free throws by Hook and Allen. Hook was high with nine points for Wauconda. Severs had six for Grant.

Additional Sport News —

Blackout moves Palatine-Grant game to Thurs.

A blackout of the Lake county region, including the Grant high school, scheduled for Friday night, has moved the game with Palatine to Thursday night.

Antioch keeps pace with win over Ela, 28-26

Antioch stayed on top in the Northwest Conference by defeating Ela at Lake Zurich Friday, 28-26. Antioch had a bad night of shooting from the field but they made eight out of 16 free throws while Ela missed all of their three attempts. Antioch probably set a conference record by having only three fouls charged against them. The winners gained an 8-6 lead in the first period and stayed ahead by 14-12 and 21-18 at the other quarter intervals. Barnstable of Antioch and Kropp of Ela tied for scoring honors with 12 points apiece.

Antioch held Ela to a total of two points in the second and third quarters and won easily, 19-12. Ellis of Antioch scored 10 points.

Box score:

Antioch	Ela
fg 1-2	fg 1-2
ft 1-1	ft 1-1
Rebounds 1-6	Rebounds 1-6
Barnstable, c 4-6	Barnstable, c 4-6
Kropp, f 2-0	Kropp, f 2-0
Ellis, g 1-2	Ellis, g 1-2
Stenberg, g 0-0	Stenberg, g 0-0
Ela (26)	Ela (26)
Kropp, f 10-8	Kropp, f 10-8
Rudy, c 2-0	Rudy, c 2-0
Ladd, g 2-0	Ladd, g 2-0
Gleason, g 0-0	Gleason, g 0-0
Weber, g 1-1	Weber, g 1-1
13-0-14	13-0-14

Palatine frosh lose to Wildcats

Libertyville's frosh got revenge for a 16-8 beating suffered at Palatine by whipping the Pirate first team 24-15 last Saturday morning. C. Vogt, Muehlfeit, Hammer, Hapke, Parkhurst and Kiehl played for Palatine.

Christian Science radio program

You are cordially invited to listen to the Columbia Church of the Air program on Sunday, January 18, 1942, from 9 to 9:30 a. m. Central Standard Time, to be conducted by Mr. Harry C. Browne, who will broadcast a statement on Christian Science especially prepared for this occasion. This program may be heard over Station WBBM (770 Kilocytes) Chicago, and other Columbia network stations.

This program is presented with the approval of The Christian Science Board of Directors of The First Church of Christ, Scientist, in Boston, Massachusetts.

Infant Mortality

A new record was chalked up in 1939, when lowest infant death rate in history of United States was reported. The 1939 rate was 48 deaths per 1,000 live births, as compared with 51 in 1938 and 54.4 in 1937.

News of Yesterday...

30 years ago

Friday, January 12, 1912

Arlington Heights

Philip Wagner and family moved to the Nick Hinsberger place Jan. 3rd.

Miss Emily Perry was detained from school by sickness one day this week.

Engbert Weidner and wife are happy parents of a baby daughter born Saturday, Jan. 6.

Rev. and Mrs. Matthew Hawks and sister, Miss Ida, attended the funeral of their cousin at Deerfield, Jan. 4.

Mrs. Anna Lühring left Saturday for Green Bay, Wis., to spend the winter with her daughter, Mrs. H. M. Kruse.

Mrs. J. B. Allen expects to go to California soon to spend the rest of the winter. She is to be accompanied by Mrs. Miller, the wife of a former pastor of the M. E. church.

Mrs. Chas. Petterson, who has been quite sick, is slowly improving. Her mother, Mrs. Kampert, of Barrington is caring for her.

Mable Horcher was detained from school Tuesday and Wednesday by sickness.

Mrs. Roy Born is visiting relatives in Libertyville.

W. H. Licks is visiting Mr. Richmond at Rockford.

Mrs. Chas. Beckman had the misfortune to fall and break her arm last week.

Wm. Danielson and H. H. Schoppe went to Edwardsville, Ill., this week as delegates to the state firemen's association.

Mr. and Mrs. Emil Eichmann have gone to Schaumburg where he is employed in the creamery while work is slack in Chicago.

R. M. Putnam has always been the one to report the first robin each spring but it is beaten this year by the P. H. Matthei family, a robin having been around their place a week.

Wm. Beckelman has moved into his new home.

Albert Putnam is working at the Ravenswood office of the C. & N. W.

W. D. Synser, 68, prominent club man and banker of Chicago, died Jan. 9 at a hospital in Texas.

Bensenville

Mr. Barney Franzen, Sr., aged 81 years of Des Plaines, died Tuesday evening.

Carl and Margaret Breutner are confined to their home on Mason street by a severe attack of mumps.

Mrs. Henry Schmidt is quite ill and has been under the care of a physician the past week.

Frank Snead has returned from the sick bed of his father at Dayton, Ohio.

Born to Mr. and Mrs. Willard Eckler a daughter.

Word was received Tuesday that Mr. E. A. Schultz, a former Bensenville business man, had passed away near Moline and would be brought to Bensenville for burial.

News of Prospect Heights

Dancing school reorganizes

Miss Margaret Byrne, teacher of dancing at the Prospect Heights school announces the following classes in Ballet-Tap-Toe and Acrobatic dancing on Wednesday afternoons at the school house. Beginners class, pre-school children at 1:00 p. m., Intermediate class, 5 and 6 year olds, 2:00 p. m. and Advanced classes after 3:00 p. m., 50 cents per lesson. Private lessons by arrangement.

Girl Scout news

Mrs. A. Wagner, member of the Council Advisory Board of our Prospect Heights Girl Scout Troop has made application to become the Scout Leader of the Troop, to relieve Miss Kathleen Wynn of the same position as she could not devote as much time as she would have liked because of her school studies. We are happy to know that the girls will have a leader who is deeply interested in this work and who will give much of her time in promoting our local Troop, though we are sorry to have Miss Wynn give up her leadership, having been affiliated with the Troop since organized two years ago.

Mrs. Wagner is going to instruct the girls in knitting as a part of their art craft, and they are all looking forward to many enjoyable meetings. The meetings will be held on Friday evenings, at 7:30 p. m. at the home of Mrs. Wagner on Marion ave. All girls 10 years or over are invited to join the Troop.

Dressmaking classes start

Mrs. Louis Neuendorf wishes to announce that Mrs. Avery of Norwood Park, will instruct classes in the art of dressmaking, cutting patterns, and form sewing at her home on McDonald rd., if a class of 10 or more will sign up for 10 lessons which will cost \$1.00 per lesson. Sewing class date will be set later. Lessons will last from 9 a. m. to 12 noon. This is an excellent opportunity to learn the finer points in dressmaking. If you are interested, call Mrs. L. Neuendorf at 7069-J.

Red Cross unit awaiting materials

Mrs. Chas. Gildemeister, chairman of our newly organized Red Cross working unit attended the regional meeting of the Red Cross at the Blackstone Hotel in Chicago on Monday. She was informed that as soon as materials are available they will be forwarded. Mrs. Gildemeister will call a meeting within the next week to determine the amount and the types of work we will be able to complete. If you have not already signed up do so as soon as possible by calling 7070-W. Work may be done at local headquarters or in your own home.

The Red Cross Roll Call chairman, Mrs. David Williams, is also awaiting supplies, but hopes to have them to start the drive at an early date.

Don't forget that work alone won't spell victory, it takes dollars, buy Defense Bonds and Stamps — your investment in Democracy and future security so you may continue your way of living, the American way!

P. H. I. A. news

The Prospect Heights Improvement Association will sponsor a St. Valentine's Dance to be held at the Mt. Prospect Country club Saturday evening, February 14th. Mr. Chas. Darfner and Mr. Edward Valley are co-chairman and are being assisted by Mr. David Williams who cordially invites all of the residents of Prospect Heights, their friends and our neighbors in the surrounding communities to join them in an evening of real enjoyment.

Many of the followers of the P. H. I. A. social affairs will be pleased to know that the services of the 12 piece band that played so well at the Fall Festival have been procured, so you will again have the opportunity of dancing to some sweet swing music.

The ticket committee has received their tickets and route, so you may expect a call from one of the members within the week. Make arrangements now and be sure to bring your calendar, it's the 14th of February.

The next regular meeting of the Prospect Heights Improvement Association will be held Wednesday evening, January 21st at 8:00 p. m. at the school house, Palatine and Schoenbeck roads. President Wm. Hopewell informs us that at the last meeting of the board it was agreed to make application to Mayor Edw. J. Kelly, chairman, U. S. Director of Civilian Defense for the Metropolitan area of Chicago, to organize a Prospect Heights Civilian Defense Council. It is hoped that by the next regular meeting word will have been received sanctioning the council so that discussion can take place and preparations made for the safety of our residents and community for the duration of our National Emergency. Let's all attend this important meeting and do our part.

Boy Scout news

The Prospect Heights Boy Scouts will collect old newspapers, magazines and rags, on the first Saturday of the month, the next collection date being Feb. 7. Call Scout Master F. Portman or get in touch with any member of the Troop. The boys have a difficult time covering the entire community in one day, though their work could be speeded up if we would all fold our papers and if possible have them tied up. Another suggestion, though not by the boys, is that your bundles could be left in your driveway as long as we know what date they are coming to collect. Let's cooperate with the Scouts, conserving papers in a defense measure, and the proceeds derived by the Troop may be a means of sending one of the boys to Summer Camp who may not otherwise be able to go. The next collection date will be Saturday, February 7, mark it on your calendar now.

The Prospect Heights Boy Scouts meet every Friday evening at 7:30 p. m. in the Prospect Heights school. Any boy 12 years or over is eligible to membership.

Bowling news

The Prospect Heights Bowling League elected Harlan Gregg as its new president last Monday night. Harold Lamb, former president, because of business was unable to perform the duties of this office, so relinquished it. Gregg was elected without a "nay vote."

Dave Stacey rolled a strike, but still had a split, the split was one of the pins, his ball split it thru the center—Mr. Hopper who operates the alleys had promised new pins for the league.

Miracles do happen — the last place service station team beat the fifth place Allord grocery team 3 games.

Team	Standings	W.	L.
Swirl beauty shop		33	21
Prospect Heights hdw.		30	24

Lions club news

The Prospect Heights Lions club met last Wednesday evening at Simon's restaurant for their regular meeting.

George Washington party February 20

The third annual Geo. Washington's card party sponsored by the Prospect Heights Parent-Teacher Association, will be held Friday evening, Feb. 20, at 8:00 p. m. Present plans are to have the party in the tearoom down at the business corner of Prospect Heights. Individual table prizes, door prizes and refreshments will be included in tickets sold at 35c plus tax by members of the P.T.A. Mrs. G. Colley is the chairman, Mrs. Glenn Gissler, Mrs. Chas. Ledyard and Mrs. Roy C. Bolt are the committee who are planning a lovely party for you. Remember the date, Feb. 20.

P-T. A. news

The regular meeting of the Prospect Heights Parent-Teachers Association was held Tuesday afternoon at 2:00 p. m. in the school house, Palatine and Schoenbeck roads, with a very good attendance. President Ellen Hartke introduced Mrs. C. Hill, who will be the secretary of the organization since Mrs. M. F. Palm found it necessary to resign because of illness. Following the business meeting a social hour prevailed with Mesdames Hedges, Hill, Henke and Knollmueller as hostess. Mrs. Jackson, Lamb and Michael were also refreshment donors, but were unable to attend.

Notice have reached our local chapter that the National Congress of Parents and Teachers will convene in San Antonio, Texas, from May 3 to the 7th.

The Illinois Congress will convene in Chicago at the Stevens Hotel, April 20 to the 24th. It is hoped many of our members will take advantage of the convention taking place so close to home.

The Northwest Suburban Council will hold their next regular meeting in Arlington Heights at the Presbyterian church, corner of Dunton and Eastman sts., Friday, Jan. 23. Registration at 9:45 a. m. Prominent speakers of the day are Mrs. J. W. Heylum, I. C. P. L. chairman of music and art, whose subject will be "Eyes to See and Ears to Hear." Mrs. Irving B. Enovid, council advisor, and Mrs. W. F. Kral, I. C. P. L. chairman, mental hygiene, who will discuss "Mental Hygiene." Adjournment of meeting should take place at about 2:30 p. m. Anyone wishing to attend may make reservations for luncheon and your transportation accommodations by calling Mrs. Roy A. Hartke, at 7084-M. Luncheon will be served for 50c.

The next Executive Board meeting of the Prospect Heights P.T.A. will be held January 27, 8:00 p. m. at the home of Mrs. Homer Torreyson on Palatine rd.

The next regular meeting of the Prospect Heights P.T.A. will commemorate Founders Day and will be held at the school house Tuesday evening, Feb. 10, at 8:00 p. m.

BAKERY SALE JANUARY 31ST

A Bakery sale to be held in the new Tearoom at the business corners, January 31st from 10:00 a. m. until there is no more, should be quite an inducement to you sweettooths to be on hand bright and early. There will be breads, biscuits, sweet rolls, coffee cakes, layer cakes and pies to whet the appetite of the epicure. Plus a preview of the interior of the Tearoom which opens soon, but more about that later. Mrs. Chas. Ledyard is chairman, Mesdames Gissler, Vallev, Schuett and Henke make up the able committee.

Locals

We hope for a speedy recovery for Mr. Milton F. Palm, who is in the Hines hospital with a heart ailment.

Mrs. David Williams spent a few days under observation at the Illinois Masonic hospital, but is now at home.

The Tollofson boy is still on the sick list and Mrs. Edw. Miller has not been so well. Let's hope all of the sick will soon be well again.

Jewel gives free 'Heroic Americans' booklet to Defense Stamp purchasers

In the interests of national defense, Jewel Food Stores are again taking the lead by promoting the sale of defense savings stamps with a big new contest for children and by giving away to all purchasers of defense stamps a beautiful album and series of 30 poster stamps of "Heroic Americans," free of charge.

The only way the children or grownups can get this attractive album is by buying a defense stamp in a Jewel Store.

Once a boy or girl has bought ten of the 10c Defense Stamps at Jewel, he or she can then enter the contest for many handsome prizes which will be offered for best essays of 50 words or less on "Why I Am Proud To Be An American."

These include three prizes of \$25.00 Defense Bonds, three prizes of \$15.00 in Defense Stamps, three prizes of \$5.00 in Defense Stamps and 300 \$1.00 prizes in Defense Stamps.

Each child entering the contest will receive a certificate signed by the Mayor of Chicago, Edward J. Kelly, and Mr. E. W. Sloan, Executive Director, Defense Savings

Staff, Treasury Department of Washington, and inscribed with the child's name, showing that he is aiding in defense of his country. Besides, every boy or girl who buys a defense stamp will also be given a patriotic button of membership in the "Heroic Americans Club." It is expected that most school children will be anxious to get one of these buttons to prove to their friends that they have really helped Uncle Sam buy arms to defend America.

Treasury Department officials, who have shown great interest in this plan, will each be presented with the first album to come off the press, as well as President Franklin D. Roosevelt and other high government officials.

The albums will be available at all Jewel Stores beginning January 19. They are designed to encourage good citizenship and patriotism, especially among the children, and Jewel feels that they have a real educational value as well, because the stamps each portray some famous American who has won the respect and admiration of his fellow citizens for some particular heroic exploit.

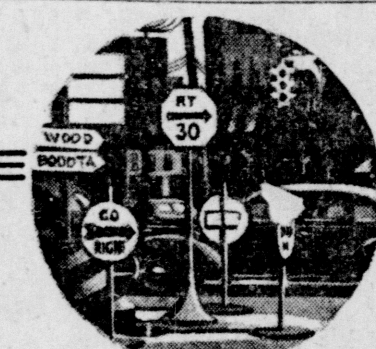

Helping a daring guerilla leader to break jail was one of the milder exploits of "Belle Starr," the bandit queen of the Ozarks, whose adventures will be unreeling on the screen of the Palatine Theatre Sunday and Monday in 20th Century-Fox Technicolor picture which bears her name. Here are Randolph Scott, John Shepperd and Gene Tierney, who plays Belle. Many added variety subjects will be added to this feature bill.

Bacon Appetizer

Here is a bacon appetizer trick: On small crackers spread cheese mixed with salad dressing, top with bacon squares and bake or broil until the bacon is crisp and the crackers a delicious brown. Serve hot.

Railroad Trackage

It is estimated that model railroads in the United States collectively have enough trackage to reach from New York to San Antonio, Texas. The total investment in model trains and tracks is around \$10,000,000.

THE WAY IS PLAINLY MARKED

Any offer made in print, or by other means, of "special" low-priced funerals, for the sole purpose of getting prospects within selling range, confuses people and results in debasing American funeral standards without saving any family one dollar.

The way to funerals of high excellence is plainly marked by a funeral director's reputation. True values in funerals must depend, as in other transactions, upon the quality of both the service and merchandise provided.

Wheeling defense council names committee heads

The organization of a Wheeling local council of defense is rapidly taking form. Chairman of the administrative groups are:

Command Post—Arthur A. Fassbender, Sr.
Fire Department—Carl Moeller.
Police Department—Ray Lesch.
Warden Division—James Bailey.

Warden Co-Chairman—William Schwall.
Emergency Medical Division—Marshall C. Balling.
Public Works Emerg. Division—John Nielsen.

Unit Coordinator—Hans Schmidt. Enrollment blanks for civilian defense duty have been distributed. A prompt return of these blanks properly filled out, will aid in the completion of the local council and help to make it effective. Further committee heads will be appointed this week, and citizens who volunteer their services will be registered in the units for which they are qualified and most needed. Has your blank been returned? If not, why not do so at once and help Wheeling to "be prepared."

The Mother's club meets with Mrs. John Nielsen on Friday afternoon. Mrs. William Schwall will lead the program, which will be based on the study of the life of Miss Jane Adams of Hull house.

The next regular meeting of the Parent-Teachers association will be held on Monday evening, Jan. 26. An unusual feature is being planned for this meeting. Watch for the announcement next week of the "master of Ceremonies." The P.T.A. is sponsoring a series of movies on Wednesday evening at 7 o'clock in the community hall. The pictures are free to all school children, but a 10c fee is expected of adults.

Save the evenings of February 5 and 6 to meet "Dumb Dollivier" in a three act farce at the community hall. "Dumb Dollivier" will keep you entertained throughout the evening and perhaps you may discover that Dollivier was not so dumb after all.

The ladies 500 club met with Mrs. William Laurence last week. Guest players were Mrs. H. Osterhaus and Mrs. Oscar Laurence. First and second prizes were won by Mrs. Arthur Paschender and Mrs. Otto Uptadel and consolation prize went to Mrs. Edward Gieseke. The hostess surprised the players with an extra prize for the player that received the least sets during the evening and Mrs. Ray Lesch was the winner.

Twenty-five women needed to form Red Cross unit

All women of Wheeling and surrounding community who are willing to give time and talent in the civilian defense program of our nation are invited to help in the forming of a local production unit of the American Red Cross.

At least twenty-five women of the community who can give service in the way of knitting, sewing or making surgical dressings are needed in order to form a unit and receive materials from Red Cross headquarters with which to work.

If you will give such service, please come to the Wheeling village hall next Thursday afternoon, Jan. 22 at 2 o'clock, and help to organize. Hear more about this volunteer service and choose your part in it. Do the women of Wheeling care? Your presence on Jan. 22 will tell.

Private Donald Welfin, who left Fort Francis Warren and the snow covered plains of Wyoming recently, was a bit disappointed to find a blanket of snow even as far south as San Antonio, Texas. But it takes more than snow to give a good soldier cold feet, and Donald is still an enthusiastic soldier. Don was stationed at Kelly Field for several days but left on Monday for a point far north in Texas.

A disappointment also awaited Private Richard Uptadel, who had been counting the days when he would reach the Marine base at San Diego, and could look up his brother, Private James Uptadel. Dick arrived at San Diego last Wednesday, only to learn that Jim had left the port for parts unknown on Tuesday.

Lester Tesch, who has been with the Naval Reserve Aviation Corps at Pensacola, Florida, has been transferred to the Brooklyn Navy Yard.

Book lovers will be interested to learn that the Wheeling library has recently added thirty-eight new copies of popular fiction to its shelves. These include a variety of types, including mystery, detective and adventure stories by the following authors: Aldrich, Baldwin, Brand, Curwood, Deeping, Eberhart, Ferber, Gardner, Grey, Hancock, Hill, Judd, Keene, Larimore, Laurence, MacDonald, Norris, Phillips, Porter, Postgate, Queen, Seltzer, Sutton, Twain and White. There's sure to be something for every taste.

The Misses Evelyn and Marjorie Mohr are away on a bus tour to Florida.

Fire department observes 44th anniversary

The Wheeling Volunteer Fire Department is holding the 44th anniversary dance Saturday evening, Jan. 24, in the community hall. Tickets are 50c a person.

The fire department was called out twice during the recent cold wave, and did good work in both instances. In one case another department which had been called to the fire first, was frozen up on arrival, and could offer little help. Our boys have done good work and deserve your support. Buy your tickets now.

Sgt. Robert Bingham recently was transferred from Fort Sill, Okla. to the west coast. Sgt. Bingham is a member of engineering unit. His wife visited her parents-in-law, Mr. and Mrs. Harold Bingham before returning to her home in St. Paul. Mrs. Bingham plans to complete her studies at the University of Minnesota during the absence of her soldier husband.

Police Chief Ray Lesch attended a Lake county meeting for Civilian Defense held at Waukegan on Monday evening. Officer Lesch is acquainting himself with defense measures being set up in nearby localities, which may assist in perfecting the local council.

Robert Kruse left Tuesday for Fort Sill, Oklahoma. Mr. Kruse holds a second lieutenants commission in the R. O. T. C.

The regular mid-winter meeting of the community center board will be held next Tuesday evening, Jan. 20, in the public school. The meeting will be called to order promptly at 7:30 o'clock. All organizations entitled to be represented should press their delegate to be present.

J. Albert Rockenbach passed away at his home at 10:30 p. m. Tuesday at the age of 77 years. Funeral service will be held Friday afternoon at 2 o'clock at the Presbyterian church.

PRESBYTERIAN CHURCH
Morning worship 10:55 o'clock.
Sunday church school, 9:30 o'clock.

Unlike the standards of an individual and nation, the standards of the Christian faith have never been "tried in the balance and found wanting."
"Be strong and of good courage; be not afraid, neither be thou dismayed; for the Lord, thy God, is with thee whithersoever thou goest." — Jos. 1:9.

17,000 More Farmers Needed Now in Illinois

Much more farm work needed to meet 1942 goals

For Illinois to produce her 1942 share of food-for-freedom would require the work of 17,000 extra men for a year, the addition of a month of labor for each farm in Illinois, or a comparable increase in the amount of work done by each farm worker.

Fortunately for the defense of the country, farmers are now better equipped with labor-saving machinery than ever before to meet the emergency, according to P. E. Johnston, agricultural economist of the University of Illinois College of Agriculture, who has just completed a review of Illinois' production goals and farmers' intentions for 1942.

These figures reveal that Illinois farmers intend to increase the production of food-for-freedom considerably beyond the goals requested by the Secretary of Agriculture for 1942. Production of eggs will be increased 25 per cent, milk 11.9 per cent, hogs for market 27.8 per cent, beef cattle and calves for market 8.5 per cent, soybeans 39.9 per cent and farm gardens 2.5 per cent. All of these increases are in excess of the requested goals, except beef cattle and home gardens.

Some difficulty may be experienced in attaining the goals, since the increased production will require large inputs of both feed and labor, Johnston believes. He estimates that the added production will require a feed input of 40 million bushels of corn, 104,000 tons of protein supplement and 303,000 tons of hay. The added corn input would be equal to 10 per cent of the 1941 Illinois production.

Farm account records indicate that farmers have not been putting in as many hours at farm work in recent years as they did before the introduction of general-purpose tractors, combines and two-row corn pickers. If farmers work on the average as many hours as they did in 1932, for example, they could increase their labor input 25 per cent for each worker, which will be more than enough to get the added production if as many workers are available in 1942 as in 1941. Unfortunately, the labor supply will not be uniformly distributed and there will be acute labor shortages in some areas.

Illinois farmers will find it both patriotic and profitable to get the maximum production from their labor and equipment in 1942, for farm prices will be more favorable than for any recent period, Johnston said. For this reason, every effort should be made to keep labor-saving machinery in good repair, as replacements will be difficult to obtain.

"One thing that has happened during the past ten years on the general farm and to some extent on the vegetable farms," states Farm Adviser, C. A. Hughes, "is the elimination of man power and the substitution of machinery. Instead of two men driving gang plows and horses, one has left the farm and the other remained and he uses a tractor to do the same work. The man that is left becomes in a measure the last man, and he must be a better man because he has a machine to handle. In other words, our farm boys are skilled workers."

"The situation we are getting ourselves into is that this key man is frequently a boy in draft age. Not infrequently the owner is aged and others that were younger have left for jobs. It happens at times that the key man is being sent to the army, leaving the older men to do work they never learned or are past the age of being expert at. It is not appreciated that many of these boys are as much skilled as men tending machines in defense industries. Frequently these men are supposed to be supplied by relief labor, which is not to be had and is woefully lacking in skill and dependability, were it available."

Tomb of Unknown Soldier
The tomb of the Unknown Soldier, in Arlington National Cemetery, was erected in 1931 over an old and uncompleted cenotaph which had stood for 10 years.

DEKALB HYBRID CORN
BUILT TO FIT FARMS

YOU can choose several DeKalb Hybrid varieties which are especially built to match your soil, season and type of farming. Extra-leafy silage corn—"soft-dents" for feeding or corn of top market quality—almost any type you want to fit any purpose—and all tested and PROVED on DeKalb Proving Grounds right in this community. Don't guess about hybrids—buy DeKalb.

DEBT AND WAR TRENDS ANALYZED

by G. L. JORDAN Professor, Agricultural Economics, College of Agriculture, University of Illinois.

Because of the tendency for specialists to be unduly influenced by and to overemphasize some special feature of the economic situation which he feels is being neglected, it is quite worth while to use every opportunity to learn, either through the printed or spoken word, the best judgment of his colleagues. During the past week, economists and agricultural economists from all over the United States assembled in New York City. Major emphasis was placed upon the effects of the war upon our economy and possible or probable post-war developments.

The general consensus of opinion is that the war would last from two to five years, and that the national debt would probably reach 120 billion dollars. That figure would seem to agree fairly well with President Roosevelt's suggestion that it would take about one-half of our national income of 100 billion dollars next year for war purposes. Another newspaper report suggested defense expenditures of one billion dollars a week for the duration of the war.

A great deal of attention was devoted to possible methods of preventing inflation under circumstances calling for enormous government expenditures, with more and more restrictions upon the volume of goods available for sale to consumers. It is a general belief that price ceilings will help to prevent drastic inflation, particularly if the limitations are imposed upon the prices of practically all commodities.

The other alternatives for preventing inflation would be to take away this income in excess of the maximum income to purchase commodities at present prices, either by means of taxation or some sort of "enforced savings." So far, neither Congress nor the President has been willing to raise taxes or enforce savings adequate to finance the war out of current income. Most of the financing has been done through sale of government securities to banks. In the absence of comprehensive direct price control, a serious inflation would probably result if financing thru the banking system were continued.

It is generally conceded that a post war boom or inflationary price rise is likely. It would be based upon the need to replenish consumer goods, some shift in factory output and the relaxation of restrictions on credit. One speaker emphasized the probability of what he called a "post-war collapse," that is, that we would have a collapse, but it would be deferred for some time after the war ended. However, other speakers thought there might be some means developed whereby such collapse could be prevented, possibly thru public works or some other comparable procedure. The present job, of course, is to produce more and more goods for war purposes and to restrict the use of competing goods by consumers.

As far as agriculture is concerned, there was a great deal of emphasis placed upon the need for a heavy consumption of foodstuffs for the general health and well being of the people in the country. This would mean either some means of keeping employment at a high level after the war, thereby maintaining the demand for farm products, or subsidizing low income families in such a way that they would have plenty of food. At least one speaker was of the opinion that there was less likelihood of the continuation of subsidies to the farmer in the form of benefit payments and that the effort would be directed to getting large quantities of foodstuffs into the hands of the consumer (similar to the present food-stamp system). At any rate the production of cotton and wheat would have to be curtailed, but a high level of production of livestock products, fruits and vegetables would be continued. The aim would be a general advance in the planes of living of the American people. It seems to me that not enough attention was given to the fiscal

and other problems that would have to be faced after the war, in order to service the public debt, and at the same time provide food for the needy and satisfactory incomes to farmers, laborers and other workers. So long as the government can increase its debt, it is possible, of course, to provide a temporary prosperity, or at least avoid serious depression. With the necessity to spend enormous sums for war purposes and the likelihood that the federal debt will be doubled or tripled, one wonders to what extent government spending can be continued after the war in order to prevent post-war depressions. It is not at all unlikely that a more conservative government might be elected, and that emphasis might be placed upon debt reduction after the war. At any rate a conservative attitude with respect to further personal indebtedness would seem to be a good policy for Illinois farmers to follow in 1942.

At last — a good word for Cook county

Cook county, the one county that stands alone, and of which all other 101 counties of our fair state are suspicious, has at last had a good word said for her on the relief problem. Bert Vander-viet, of the I.A.A. Research and Tax Department has this to say in the January issue of the I.A.A. Record:

"Cook County Leads in Reduction"
"The reduction in the total assistance load has been far greater in Cook county than in downstate. While in February, 1939, the number of persons aided was about the same in these two areas, by September, 1941, the downstate total was about 50 per cent higher than that of Cook county. In the 101 downstate counties about one person in 10 was being aided in September, 1941, as compared with only one of every 16 in Cook county. Nearly twice as many downstate persons are receiving old age assistance and W.P.A. support as are aided by these programs in Cook county. The total downstate relief load, September, 1941, was over 10 per cent higher than that of Cook county."

Are you an original producers' patron?

In June 1922 the livestock farmers organized the Chicago Producers Commission Association in the National Stock Yards. Today this cooperative firm is handling 25% of the sales in the National Yards. At their annual meeting, March 5th next, the members who have been with the Producers all that time will receive proper recognition. If you have been a 20-year Producers man, let the Farm Bureau office know so your name may be submitted.

Beware McClare, etc., soybeans

Some places farmers are being offered a miracle variety of soybeans under the names of McClare, New London, Ohio, Wonder and Profit. Word received from J. C. Hackleman, Crops Extension Specialist of the State University to Farm Adviser, C. A. Hughes, indicates these are none other than the old time Midwest discarded by reliable growers some fifteen years ago. Besides the oil content is too low for best results when sold as seed. Claims are made for heavy yields for light seedlings, all of which is not true. At present, the Illinois is the best variety for Cook county.

What Torpedo Is
A torpedo is a self-propelling, cigar-shaped missile charged with up to 500 pounds of TNT which is detonated on contact. It may be as much as 21 inches in diameter and is usually 12 times the diameter in length. Torpedoes are capable of speeds up to 36 miles per hour for short distances. At lower speeds, some torpedoes have a range up to 10 miles or more.

Bakers' Dozen
Old laws penalized grocers and others for shortweight sales. Out of this grew the "bakers' dozen," when the baker put in an extra bun or doughnut for good measure.

LADIES AID DAY CAKE
A handsome frosted cake with the frosting fluffy and not hard is a joy to behold and to eat. But it presents a problem if you're to carry it across the town to the Aid meeting. That's why self-iced cakes are becoming so increasingly popular for gatherings of this sort. Here is the recipe for such a cake:

COCOA DEVILS FOOD WITH MERINGUE TOPPING
1/2 cup water
1/2 cup cocoa
3/4 cup shortening
1 1/2 cups sugar
2 whole eggs and 2 egg yolks
2 1/4 cups SIFTED flour (either cake flour or all purpose flour)
1 tsp. soda
1/2 tsp. salt
3/4 cup buttermilk or sour milk
2 egg whites
1/4 tsp. cream of tartar
Meringue Topping
1 cup brown sugar (packed in cup)
1/2 cup chopped nuts

Mix water and cocoa for cake together to a smooth paste. Let stand. Cream shortening, add sugar gradually, and cream until fluffy. Add eggs and egg yolks, one at a time, beating well after each addition. Blend in cocoa mixture. Sift together the flour, soda and salt, and add to the creamed mixture alternately with the buttermilk or sour milk.

Pour into a greased and paper-lined 8x12-inch pan. Bake 45 minutes in a moderate oven, 350° F. Remove from oven, quickly spread the meringue topping over the top of the cake and sprinkle with the nuts. Return to the oven, placing the cake in the pan on a wet board to keep the heat from the bottom of the cake. Bake 7 minutes longer having the oven hot this time—450° F.

To Make Meringue Topping
Beat egg whites until frothy. Add cream of tartar and continue beating until egg whites are stiff enough to hold a point. Add brown sugar gradually, beating until the meringue is quite stiff. Spread on cake and return to oven as directed above.

Charles J. Grom, 27, Barrington, and Margaret Kastning, 23, Arlington Heights.

Charles W. Ahrens, 20, Lincolnwood, and Violet Yehl, 18, Morton Grove.

Anton Neumeier, 33, and Christine Schmalz, 21, both of Bensenville.

Edward E. Weiss of Evanston, and Bertha Schmidt, Niles.

THE HOME FRONT

The President gave the signal and America's war production machinery, already rolling, switched to high gear. Today we are moving at constantly quickening speed along the only sure highway to victory — the hard and rocky road of self sacrifice.

There's not a one of the whole 131,000,000 of us, probably — man, woman or child — who won't have carried some part of the burden of this war before it is over, before the Japanese are slapped back on to their own islands and disarmed, before Hitler and his stooge Mussolini and their followers — willing and unwilling — have been made harmless. Expressed in terms of cold cash, the huge 1942 program for tanks and guns and planes and ships will cost more than \$400 for every citizen of these United States.

So far the crisis in materials needed for this vast production program has been reflected chiefly in the nation's auto salesrooms and auto supply stores. So far it's been primarily a matter of cars and tires.

But already other changes are on their way, changes which will be reflected in the products displayed on the shelves of tradesmen in thousands of towns and villages when present stocks are exhausted.

Take clothes, for one thing. Clothes are going to change. They are going to look different, and they are going to be different, too. That's because we are cut off from sources of wool in Australia and New Zealand, and because so much wool is needed for military uniforms. There's from 40 to 50 per cent less wool available for civilian use this year and it's going to mean that overcoats made probably will be made out of a mixture of virgin wool and re-used wool, and that coats will be shorter and pants trousers skimpier — and an end, for the duration, of the "two pants suit."

The vital need for more and more alcohol to make explosives is going to change the formula of lots of things on your drug store shelves. Not things you need when you're ill, but things like toothpaste, and perfume, and a great many cosmetic products. The Office of Production Management has ruled that no more alcohol may be used in the manufacture of such products after April 1.

To date, despite tremendous lend-lease shipments to Britain, there hasn't been any real shortage in any foodstuff. Nearest approach to a shortage is in sugar, because much sugar is made from cane, and sugar cane molasses has been largely used to make alcohol. The OPM has ordered distillers equipped to make alcohol from corn or grain to use these materials exclusively.

At the same time the Office of Price Administration ordered an upward adjustment in the price ceiling above refined and other "direct consumption" sugars, a maximum price advance of 20 cents a 100 pounds. This isn't expected to have any immediate effect on retail prices, because retailers now are selling sugar acquired at lower prices. When stocks are exhausted, however, retailers will have to pay higher prices to replenish their stock.

The OPM suggests a variety of ways in which dairy operators and milk distributors may overcome shortages. Dairy men can't buy new trucks for home deliveries, but they are urged to repair old equipment, just as the farmer has been urged to have his old farm machineries repaired. OPM suggests that deliveries be made every other day and that duplication in milk pickup routes be avoided in order to conserve rubber and machinery and, incidentally, gasoline. Containers are going to be a problem, OPM suggests campaigns to salvage used bottles, a reduction in the variety of container sizes offered the consumer.

The sweeping drive to conserve metals for war production continues, with lead — the raw material for bullets — latest on the list headed by copper and steel, tin and aluminum. Just as iron and

steel priorities meant far fewer refrigerators and no pleasure autos at all; just as tin priorities are working changes in everything from cans to many articles customarily found at the five and dime stores; so with restrictions on the use of lead for civilian purposes.

The lead order, effective April 1, will even be felt in the undertaking business — no more lead may be used in caskets or in casket hardware. No more lead, either, for automobile body solder, for ballast or keels of pleasure boats, for foil or ornamental glass or regalia or badges or emblems. Nor for statuary and art goods, toys, tennis court markers. Lead may not be used in bats, (as weights), or in clocks, decoys, dresses, golf clubs and jockey saddles.

America's force or war workers must be doubled or trebled to meet the victory production program and women must play a larger part in war industry, says Sidney Hillman, OPM's Associate Director. The OPM has prohibited use of methyl (wood) alcohol in anti-freeze compounds. You'll probably be putting something containing ethyl alcohol or isopropyl in your radiator. Paper manu-

facturers were warned by OPM against building up excessively large inventories. Paper pulp is a real wartime military necessity, it's used in making paste-board containers for small arms ammunition. The OPM is campaigning for waste paper salvage. Canadian paper mills are planning to increase newsprint prices. The OPA conferred with representatives of the American Publishing Industry, which gets 75 per cent of its newsprint from Canadian mills. Director of Defense Transportation, Joseph B. Eastman says military needs for iron and steel constitute a particular danger to the trucking industry. If trucks can't be replaced the burden carrier by the railroads may grow heavier. Our railroads are doing a good job, Mr. Eastman said, and they're helped by a public which realizes that first things come first.

Enlist in army air corps

Edwin Withaeger, Palatine, Melvin Schuring, Dundee, and Edwin Lundau, Arlington Heights, have joined the army air corps at Fort Sheridan. They expect to leave soon for Jefferson Barracks, Mo. Mr. and Mrs. Wm. Withaeger and Esther Meyer visited Fort Sheridan Monday night.

WALTHER LEAGUE

Northern Illinois District

News items for this department should be mailed not later than Monday to Arlene Nagel, publicity chairman, 804 N. Douglas St., Arlington Heights.

Now that the holidays are over, most societies are picking up their activities where they left off.

To you society — Wheat Ridge seals chairman — be sure to get your report in to Miss Lorraine Pohlman, Route 1, Palatine, just as soon as you can. Send your remittances in to Erwin Greifendorf but your report to Lorraine. Let's cooperate so that this can be cleared up in the next two weeks.

The Arlington society is mighty proud of their work on the Christmas window display they had in Collignon's delicatessen window. It was judged the best of the business displays. The reason — not an inch of advertising; it had only the true thought of Christmas. Congratulations to Ruth Hoeft and

her hard working committee. How about some of your other societies? Let's have a report on what you did.

A group of the Arlington fellows and Norwood Park girls met last Sunday to give a farewell party for Herb Behrens who has been accepted in the Coast Guard and will leave the 20th of this month.

What are your societies doing for the magazine subscription campaign? Remember we still have another period in which to work from January 15 to March 15. This project is very much worthwhile. For further information, write Mr. Rudolph Schaefer of Des Plaines.

The zone board meets Thursday night to set up the rally program.

February 1 is the date of the winter rally with Park Ridge being the hosts and planning a gorgeous and sumptuous Smorgasbord. That little item alone will tempt most of our Leaguers judging from the apparent appetites. At any rate we want you there. Incidentally, the sound moving picture has been changed from "The Cat's Paw" to Abraham Lincoln.

Postcard reveals Fessler a prisoner and uninjured

Morris W. Fessler, 23, was finally able to communicate with his country men in the R. A. F. after parachuting from his plane over northern France 3 months ago. Last week the American Eagle club received a postcard from Fessler who is a prisoner in Germany.

"I thought I would let you know I am not wounded, but am a prisoner of war," he said. "I am being very well treated."

Fessler lived with his parents in Arlington Heights until they moved to Los Angeles several years ago. He had been flying with the R. A. F. for several months before he was downed October 10 of last year.

THANK YOU

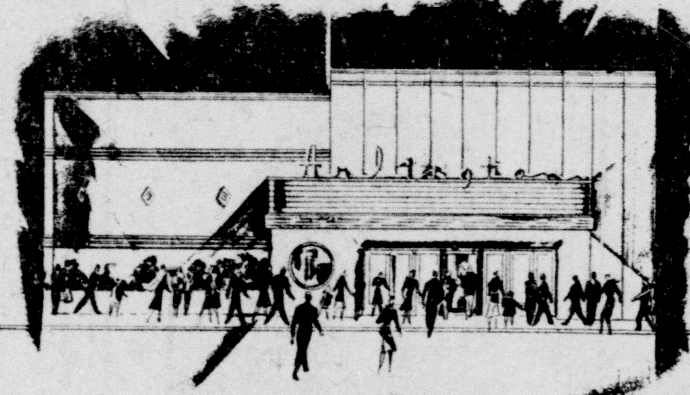

ARLINGTON HEIGHTS

SO MANY fine things are being said to us and about us in praise of the new Arlington theater that the management feels this means should be taken to express our appreciation. We should also like to make a brief statement about the policy of your new theater.

The response to the opening programs has been magnificent. It is gratifying to learn that the people of Arlington Heights and nearby communities are finding the new theater such a delightful place. But it was meant to be just that and it makes us happy to know all of you are finding enjoyment in coming to the Arlington.

The Arlington was planned to be more than just another place to see a movie. We have tried to make it original, refreshing, intimate, and... a place where all may go to relax, be restful and enjoy wholesome entertainment. Unless you receive all these things we do not think you are getting your money's worth.

So our purpose has been to provide something just a bit different and a bit better than what you have been accustomed to. But at no increase in price. In fact we believe our prices are a little lower and we are sure that when it comes to quality the new Arlington can't be beat.

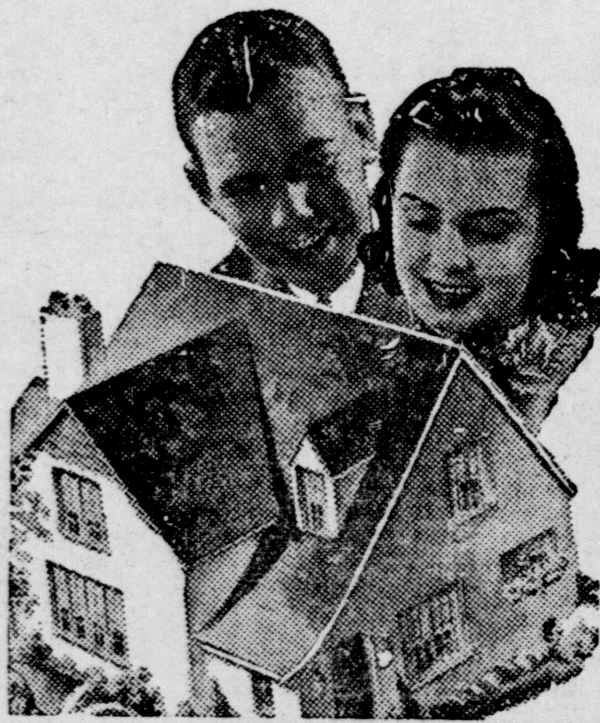

Our programs are going to be arranged with the greatest thought to the desires of all our patrons. In every case the choice of pictures will be made with a view to the high level of good taste and intelligence which is reflected in every way by the people of Arlington Heights. Variety will be the keynote, with justice to both light and heavy themes.

Since it is our belief that every theater should give something back to the community in which it exists, in addition to the programs which it sells its patrons, it will be our privilege and obligation to cooperate in every way that we can to promote activities for the general good in Arlington Heights.

Buy a Prospect Heights Defense Home

With the priority rating that has been given to Prospect Heights, the defense worker is able to buy a home in this residential community, away from the immediate vicinity of factories, yet in easy reach of place of employment.

Prospect Heights is a place that your family will enjoy and be proud to call "OUR HOME."
